

2020 – 2021

Basanta Utsab

These two years brought all of us to the brink of a severe existential crisis owing to raging waves of Covid pandemic. Nevertheless, the alumni Association tried to remain functional during such trying times by organising a cultural event, ‘Basanta Utsab’ over Google Meet during March 2021 which brought together most of the alumni members after a long unfortunate gap.

Treasurer of the association, Dr Sukriti Lahori presented a proposal of recording memoirs of former students as a collection which could be named ‘Smritikatha’. During the meet, Prof. Snigdha Sen also proposed the creation of a fund for procuring books for the college library. Mousumi Ghosh, a regular member of the association also proposed creation of another fund which could be used to assist students combat any kind of medical emergency. Smt. Mira Dey further committed to make donations in the near future for the needy and meritorious students.
