

## **Celebration of Vasant Utsav by Bengali Department, Victoria Institution College**

The Department of Bengali, of Victoria Institution College organised a very colourful and warm celebration of Vasant Utsav on the eve of Dol yatra and Holi, on 23rd March, at Keshab Hall.

Our Principal Madam started the program by giving a very heart touching speech following which the students of the department made the program very lifeful with their performances.

In this time of disharmony and intolerance, this program created a tune of unity and diversity.

Students of sixth, fourth and second semester performed unitedly like a garland in which dance, recitation and songs were presented in a unique pattern. Every moment was overwhelmingly joyous.

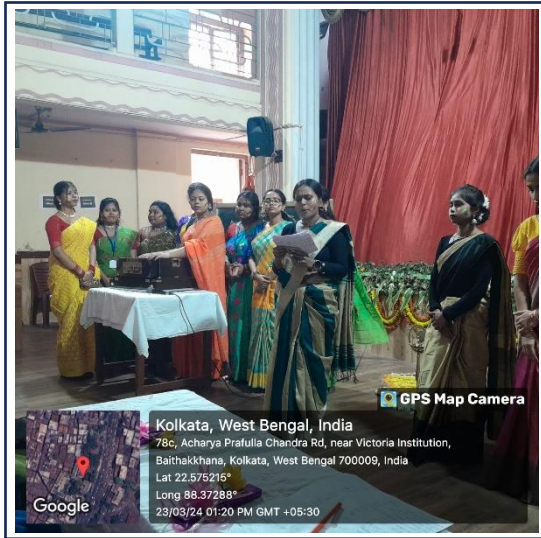

The program ended with the students playing with colours and of course the teachers also joined. A small arrangement of snacks by the teachers made the students cheerful and refreshed.

Such vibrant events touched the students as well as teachers from within.
