

EDUCATIONAL EXCURSION ORGANIZED BY HISTORY DEPARTMENT, VIC

The 5th semester Students of the Urdu Department undertook a momentous visit to the Alipore Jail Museum on 20th December 2023. They were accompanied by all 4 faculty members of the department. The visit for historic as the students has been studying about the Sepoy Mutiny of 1857 and the broader sacrifices that had been made by our forefathers of our Nation's Independence Movement. Since the impact of the Freedom movement in pre- and post-independent India is an important part of their course curriculum, it was imperative that they were witness firsthand to the actual struggles that were part of our nation's emancipation journey. On visiting the erstwhile cells of our nation's stalwarts like Pandit Jawaharlal Nehru, Khudiram Bose, Chittaranjan Das, Dr B C Roy, Jitendra Mohan Sengupta, and several others, they came face to face with the harsh realities that led to the birth of our nation. The trip left them with lasting memories of nationalism and patriotic fervour. It was a very successful trip with lots of questions being posed by students trying to improve their understanding of the freedom and independence movement.
