

**FAREWELL OF DR. KABERI BRAHMA ORGANIZED BY THE STUDENTS OF
SEMESTER 2 GEOGRAPHY HONOURS**

The best gift that a teacher can receive from her students is pure love. Dr. Kaberi Brahma, popularly known as K.B. Ma'am, is a rich teacher in this context. Her retirement was a saddening incident to her students. Thirty-three students of Semester 2 Honours felicitated their favourite teacher with a nicely arranged farewell programme from the bottom of their heart on 14th July 2023. They decorated the room number 7 with their creativity and welcomed respected K.B. Madam in a heavy heart. They presented a short but well-knit cultural programme adorned with music, recitation, dance and short speeches with remembrances of their beloved K. B. Ma'am. Most of the students shared their feelings and classroom experiences with heavy mind set and teary eyes. Kaberi Madam blessed them from the core of her heart. All the students wished their respected teacher a very pleasant and contended active life for her next part of journey.
