

PARENTS TEACHERS MEETING ORGANIZED BY HISTORY DEPARTMENT,
VIC

A parents teachers meeting of Semester 1 has been held on 4/10/23. Most of the guardians of Semester 1 students attended this programme. Our Principal Madam Dr. Maitreyi Ray Kanjilal inaugurated it with a wonderful lecture. The guardians expressed their opinions very candidly and the discussion along with the faculty was very fruitful. It was an exchange of ideas with department and the guardians which was very beneficial for the students.
