2022 – 2023

1. A students awareness campaign on Menstrual Health & Hygiene was organised by NSS on 19th April 2022 where a talk was delivered by Dr. Shamima Yasmin, Assistant Professor at Calcutta Medical College. The talk was attended by nearly 120 volunteers and students. Dr. Yasmin not only delivered a talk but also interacted with the students for nearly two hours trying to attempt their issues on an individual basis. In order to gauge the impact of this programme we circulated a response sheet (questionnaire) among the students who had attended the said programme.
