

One day student orientation program organized by Botany Department, VIC

On 11th December 2024, Department of Botany in collaboration with IQAC, Victoria Institution (College) and AM EDUCARE, KOLKATA, organised one Orientation Program for students on Careers in Life science. Respected Principal Madam Dr. Maitreyi Ray Kanjilal addressed the program and encouraged our students. Respected Principal Madam appreciated the initiative of department of Botany for arranging such student centric event. There were exciting lineup of topics and activities on that day. Students constantly seek ways to expand their knowledge and improve their understanding of the world. This Orientation Program was a perfect opportunity for our students to do just that, as they can hear from experts in various fields. Our resource persons were Mr. Soumaryya Bhattacharyya, Mtech BITS Pilani, Project Coordinator AM EDUCARE, Mr. Diptesh Chakraborty, M.Sc., Utkal University, Project Coordinator AM EDUCARE and Miss Joyeeta Chatterjee, MSc Bioinformatics, Pondicherry University, Project Coordinator AM EDUCARE. The second session involved the demonstration of PCR and Gel Electrophoresis. Overall, the program was a success and we wish that each and every student may find the career path that resonates with their passion.

BEST IN MICROBIOLOGY STUDY

MICROBIOLOGY

BIOPROCESSING

BIOLOGICAL SCIENCE

IIT-JAM 2023 QUALIFIERS

IIT-JAM

COURSES WE OFFER TO STUDENTS

- 1

MICROBIOLOGY FOUNDATION CLASS

 - Get a strong foundation in the basics of microbiology.
 - Prepare for undergraduate and postgraduate courses in microbiology and biotechnology.
- 2

IIT-JAM PREPARATION (AIMET)

 - Crack the IIT-JAM exam with our intensive prep class, AIMET and unlock doors to prestigious institution & research opportunities in India for MSc in Microbiology & Biotechnology.
 - Get expert guidance from experienced faculty and staffs.
- 3

HANDS ON TRAINING

 - Get hands dirty in our practical workshops, where theory meets practice.
 - Preparing you for real-world microbiology challenges from the best in the field.
- 4

INTERNSHIP PROGRAM

 - Embark on a journey of discovery with our research internships, fueling your passion for microbiology and biotechnology.
 - Get mentored by renowned scientists.
- 5

CSIR-NET PHD ENTRANCE PREPARATION

 - Crack the CSIR NET exam with our tailored program, ensuring you excel in the competitive world of research.
 - Get comprehensive coverage of the syllabus and expert coaching.
- 6

ABROAD STUDY PROGRAM

 - Enrich your horizons with our international study program, opening doors to global education and career prospects in microbiology and biotechnology at top universities abroad.
 - Get guidance on the application process, scholarship, and visa.
- 7

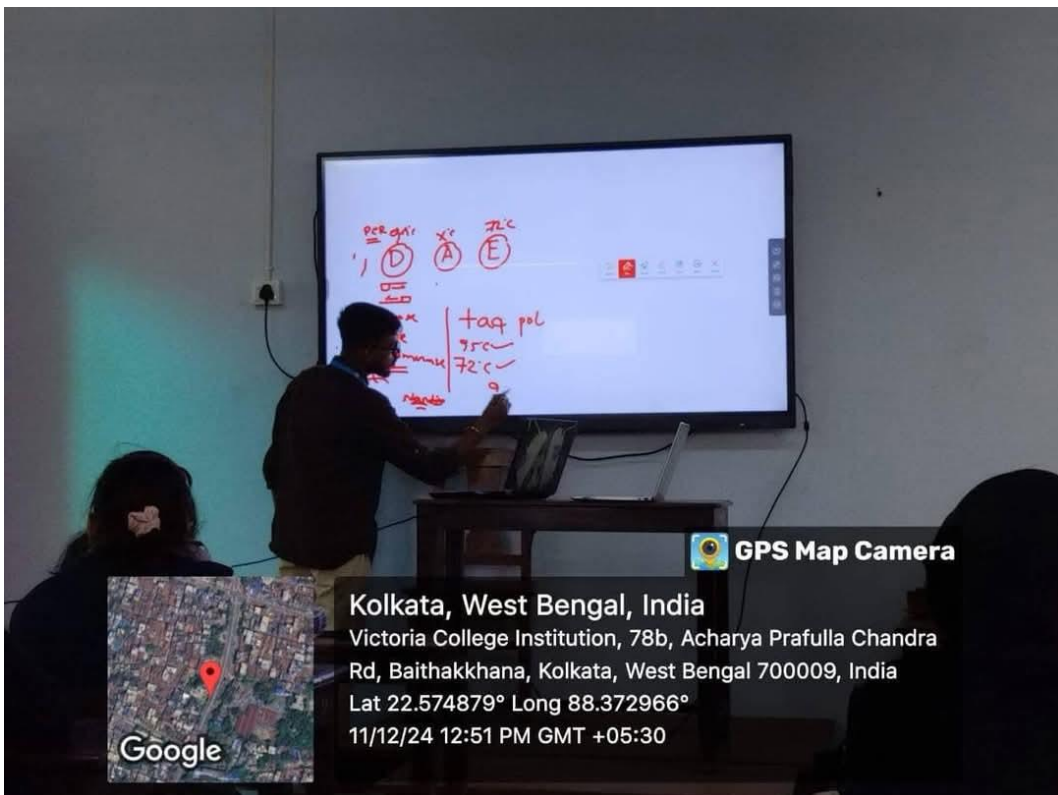

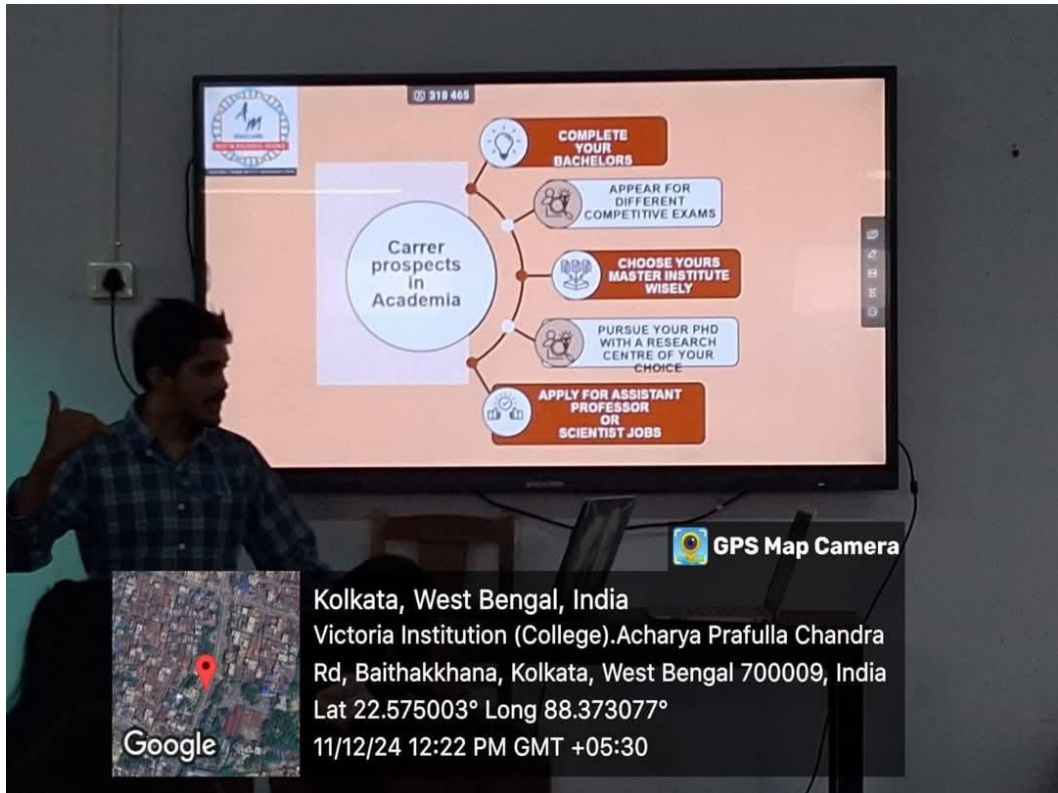

CAREER COUNSELLING & PLACEMENT

 - Guidance and support to navigate your career path to succeed your microbiology journey.
 - Get help with job placement in reputed companies and research institutions.

"Your Pathway to Microbiology Success - We Offer More Than Education; We Offer Opportunities!"
