

**ORIENTATION AND INDUCTION PROGRAMME  
FOR THE STUDENTS OF SEMESTER 1, DATED AUGUST 7, 2024**

Victoria Institution (College) conducted the Orientation and Induction Programme for the students of Semester 1 on 7<sup>th</sup> August, 2024.

The entire programme was presided by Principal Dr Maitreyi Ray Kanjilal along with IQAC Coordinator Dr Sumallya Karmakar.

In that programme, the Principal and the IQAC Coordinator highlighted the rich heritage of the college and explained the students about different curricular, co-curricular and extra-curricular activities throughout the years which help the students to acquire a holistic education. All the departments introduced themselves by welcoming the new students. Then the students are informed about various important cells and committees like anti-ragging Cell, Grievance Redressal Cell etc. They got ideas about different clubs they join and also the self-defense course they can opt for. Active NSS, NCC units of the college were present to motivate them in joining for community activity. Teachers made them aware about various students' scholarship schemes the college and the State Government offer. The students also got an outline of NEP 2020 through which they are going to acquire their under graduate degree.

The entire session was beneficial for the students and they enjoyed the programme to the fullest.
