

TREE PLANTATION PROGRAMME: 26th July, 2023

The tree plantation is a sustainability initiative aimed at promoting environmental consciousness and green practices among students, faculty, and staff. It was organised by Teachers' Council of Victoria Institution (College) in collaboration with NSS Unit on 26th July, 2023 in observation of Forest Week. Principal Madam inaugurated the programme and Students of Botany Department prepared and showcased their posters on Trees following with a small cultural program.

• Principal Madam and the teachers of the college in the tree plantation programme.

• Celebration of Tree Plantation Programme in Victoria Institution (College).
