

**FAREWELL OF DR. KABERI BRAHMA ORGANIZED BY THE STUDENTS OF
SEMESTER 6 GEOGRAPHY HONOURS**

Dr. Kaberi Brahma, more popularly known as K.B. Ma'am, was hugely popular among the students. The end of her successful teaching life was a sad happening for the students of semester 6 Geography Honours. Thirty-two students showered their love and respect by arranging a Farewell Programme on 3rd July 2023. They decorated the room with handmade paper flowers. They arranged the benches of the room number 7 properly so that they can perform the cultural programme. The students decorated the table with a beautifully garnished Chocolate cake, a flower bouquet, a gorgeous Saree with matching costume jewellery, a nicely woven handmade purse, a handmade album with the views of individual student about their favourite Madam etc. All the students recalled and relived their experiences with her at classroom as well as during Excursion in a teary note. This special programme glittered with the heart felt speech of Kaberi di. All the students wished her a peaceful retired life with lots of happiness.
