

**OBSERVATION OF INTERNATIONAL MOUNTAIN DAY BY GEOGRAPHY  
DEPARTMENT, VIC**

International Mountain Day was observed as special commemorative day by the Department of Geography on 11<sup>th</sup> December, 2023. The programme got underway with the keynote address being provided by the Head of the Department, Smt. Pubali Ghosh, whereby she stated the importance of observation of this day, especially as Geographers. International Mountain Day provides an opportunity for us to increase awareness and call for nature-based solutions, best practices and investments that can enhance the resilience and adaptability of mountain ecosystems.

Students then prepared relevant posters on various aspects of Mountain ecosystem with great enthusiasm. Different features on the theme of sustainable mountain ecosystem sparked through their posters. Smt. Prakriti Das, Assistant Professor of Geography, coordinated the programme efficiently. The programme was a resounding success with active and engaging participation from the teachers and students.
