

SPECIAL LECTURE ORGANIZED BY DEPARTMENT OF GEOGRAPHY, VIC

A Special lecture on “Change Detection Mapping in Fluvial and Coastal Environments from Geospatial Datasets” has been organized by the Geography department on 22nd November 2023 in Keshub Memorial Hall from 1.30 to 4.30 pm. The lecture was attended by the students and the faculties of Geography department. The speaker of this lecture was Dr. Priyank Pravin Patel, Assistant Professor, Presidency University. Our Principal Madam Dr. Maitreyi Ray Kanjilal and Dr. Sumallya Karmakar, Co-ordinator of IQAC made this programme a huge success by their presence. The students warmly welcomed all the guests. The speaker Dr. Patel presented quite difficult concepts of riverbank erosion and coastline shift with the aid of satellite imageries in a very lucid way. The students were highly benefitted by the practical session conducted by the lecturer.

ALL RESPECTED GUESTS, PRINCIPAL MADAM DR. MAITREYI RAY KANJILAL, DR. SUMALLYA KARMAKAR, CO-ORDINATOR OF IQAC AND SPEAKER DR. PRIYANK PRAVIN PATEL ON THE STAGE WITH SMT. PUBALI GHOSH, HOD, GEOGRAPHY DEPARTMENT
