

## **EDUCATIONAL EXCURSION ORGANIZED BY DEPARTMENT OF SANSKRIT**

An Educational Excursion was conducted by the Department of Sanskrit, Victoria Institution (College) to Alipore (Jail) Museum on December 15, 2023. Five students from Semester I, III & V were taken by six teachers of the Department to visit the Museum. Both the students and the teachers explored the history of our freedom movement demonstrated there. They also visited the different cells named after the freedom-fighters like Netaji Subhas Chandra Bose, Chittaranjan Das and so on. It was, indeed, a mesmerizing experience to spend a whole day with the history of the freedom movement of our country.
