

## An Educational Visit to Indian Museum, Kolkata

Date: 12/04/2023

Conducted By: Zoology Department, VIC

As the visit to **Indian Museum**, Kolkata, has been an indispensable part of C.U Zoology General syllabus, a study tour was organised for SEM IV Zoology General Students under supervision of Suchona Chakraborty and Dr. Patralekha Mukhopadhyay. 16 students participated in this tour. The **Indian Museum** bears a healthy stock of different animal groups, including mammals, birds, reptiles & fishes. The animals are placed in a background of their individual unique environment, that gives a clear understanding & complete knowledge of the animal world and their ecosystem. The galleries of evolution, ecosystem, fossils, invertebrates hold a complete knowledge about the subject. The SEM IV Zoology General students developed a deep and detailed concept about the subject through this excursion.

## CELEBRATION OF NATIONAL SCIENCE DAY BY DEPARTMENT OF ZOOLOGY ON 28<sup>th</sup> Feb 2023
