16.09.2022

A representative group from the Electoral Literacy Club of Victoria Institution (College) had participated in the district level West Bengal Youth Parliament Competition 2022, hosted by Scottish Church College. The event was organised under the aegis of the Ministry of Parliamentary Affairs, Government of West Bengal. They demonstrated the various procedural aspects of parliamentary business and the order of events which is duly followed. Regular parliamentary activities like passage of a bill, zero-hour, oath taking by ministers, obituary reference etc. were enacted by the participants. The script thrust upon crucial matters like India's fiscal policy, farmer's suicide, women's safety, budgetary allotment in higher education etc. Their performance was not only appreciated by the judges but it went a long way in their holistic education as responsible future citizens of India. They not only benefitted by understanding these parliamentary methods but were also able to appreciate the crucial role that accountability plays in a democratic polity.
