

OBSERVANCE OF WORLD ENVIRONMENT DAY DATED JUNE 06, 2024

The IQAC of Victoria Institution (College) in association with Nature Club organised a programme to celebrate World Environment Day on 6th June, 2024 at the college premises. The NSS unit of the college actively engaged with this programme and arranged for sapling plantation, soil preparation.

Principal, IQAC Coordinator, members of IQAC, teaching and non-teaching staff of the college were present and participated in the tree-plantation programme that was started from 11 am in the morning.

The next phase of the programme consists of competitions in three categories - slogan writing, drawing and painting. The theme was Climate Change. Students of different departments participated with full enthusiasm. They displayed their slogans. The paintings and drawings were furnished in the Keshub Memorial Hall. About 54 students participated and got certificates of appreciation.

Kolkata, West Bengal, India

Judges were from Dr. Raharshi Ghosh, Maulana Azad College, Dr. Suranjana Sarkar, Surendranath College and Dr. Sreyasi Sarka, K. K. Das College. They interacted with the competitors, judged their works and announced their decisions according to which the winners were conferred with medals and certificates.

The entire program was graced by the respected judges, respected Principal madam and faculty members of the college. Students of the college participated and enjoyed the programme thoroughly.
