

Poster Presentation on Electoral Awareness
Organised by Electoral Literacy Club
15.03.2022

As an inaugural activity of the Electoral Literacy Club of Victoria Institution (College), student members of the club designed posters on the efficacy and significance of the Indian electoral process. The event was inaugurated by the Teacher in Charge of Victoria Institution (College), Dr. Uma Ray Srinivasan and IQAC Coordinator Dr. Sumallya Karmakar. Those posters were thereafter presented by the members, where they explained the electoral provisions enshrined in the constitution of India and underlined the important role that a voter plays by exercising his/her right to vote in a vibrant democracy like India. Posters were also designed on the relationship between a developing nation and an aware citizenry; significance of the electoral code of conduct and procedures. The event was organised with the aim of spreading awareness among young voters about the potent role that an average voter plays in the sustenance of a democratic political system. The members and audience showed great enthusiasm during the event. These posters not only helped the young voters in appreciating the merits of a electoral democracy like India but also showcased their artistic talents.
