Dear Sir ,

In reference to the verbal conversation you had with the teachers of the Department of Physics of our College regarding the newly introduced internship programme as per curriculum under Calcutta University for our B.Sc. students, we would be obliged if you allow the students to undergo the internship under your supervision at your Centre during the period 16th May to 30th May 2024. We would like to send five students studying in Semester II for this programme.

In this context, I would request you to suggest a probable date as per your convenience, for a meeting with the teachers for a detailed discussion.

Thank & Regards

Dr. Maitreyi Ray Kanjilal

Respected Prof. Kanjilal

Thank you for your email. We do look forward to a continued collaboration with your college. My colleague Dr Rajib Mondal, who has been cc'd in this email will coordinate with your colleagues and take this forward.

regards

sandeep
