

### **Community-Harmony among Students**

Consciously trying to create and maintain a congenial environment for students of divergent religio-ethnic backgrounds.

Bring out the best from them in their academic-and-social endeavours as responsible citizens of our country.

In a deeply fractured and polarised society like ours, the need is to consciously create an environment sensitive towards differences of all kinds.

- Learn to appreciate and inculcate feelings of oneness and unity with each other through group-based activities like Youth Parliament, Quiz, Wall & E- Magazines, Student Talks, Sports & Games, Self-Defence, Cultural activities.
- Cultural programmes include Sanskrit *stotras* and Urdu hymns.
- Students participate together in Saraswati Puja, Iftar, College Social irrespective of religio-communal background.
- Classroom activities do not encourage/support any religio-communal divide or formation of identity groups.
- Common campus and Hostel facilities are utilised by all students and boarders equally, respectively.
- Know Your Neighbour Walks facilitate inter-communal harmony.

Their involvement and participation highlights the objective of unity and social cohesion, their bonding evident.

In spite of our deliberate attempts at minimising their interpersonal distances, deep-rooted prejudices are still found.

Introduction of some common courses in the undergraduate syllabi would inculcate the sense of syncretism within the young minds.
