

Study Tour to Indian Museum, Kolkata by Dept. of History (Morning Section)

1st August, 2024

Department of History (Morning Section) organised a study tour on 1st August, 2024 as per fulfilment of CCF- SEC History syllabus for Field Trip. The group consisted of 33 students of SEC History subject (Sem II) and 2 professors of History Department, Dipanjana Sinha and Aditya Sarkar,. The destination was Indian Museum, Kolkata, which is the earliest and the largest multipurpose Museum not only in the Indian subcontinent but also in the Asia-Pacific region of the world. Today our students learnt how things were done, what life looked like and even what people wore and did in the past. They witnessed the magnificently developed significant epoch which was initiated in 1814, with the foundation of the Indian Museum. Every room hides a million tales. Every brick smells of a history, made immortal. This institution has been rendering yeoman services to the people of India as an epitome of art and culture. We felt a sense of anticipation and a defining moment in our life after we visited this great piece of living history. The food in the canteen of the museum was delectable. Our students got the golden opportunity to enjoy the day as well as to gain a lot of knowledge.
