From the Principal's Desk

Victoria Institution (College) has been a premier centre of learning for the female students of our society over the last eighty nine years. The primary goal of our Institution is to provide a high quality academic environment and constantly motivate our students to become socially committed citizens.

At Victoria Institution (College) we believe that each student is special and has

the potential to excel in myriad ways. Our programmes offer specialized education required to achieve students' future endeavour. We offer General and Honours Courses in almost all the major subjects from the Science, Arts and Commerce streams. The teaching-learning programmes are marked with personal mentoring; students are encouraged to work in teams and learn from peers. The college organises meeting between parents and teachers, in presence of the Principal, to discuss the student's progress and find solutions to academic or behavioural problems. The National Assessment and Accreditation Council (NAAC) in its evaluation, awarded our college a B+ Grade.

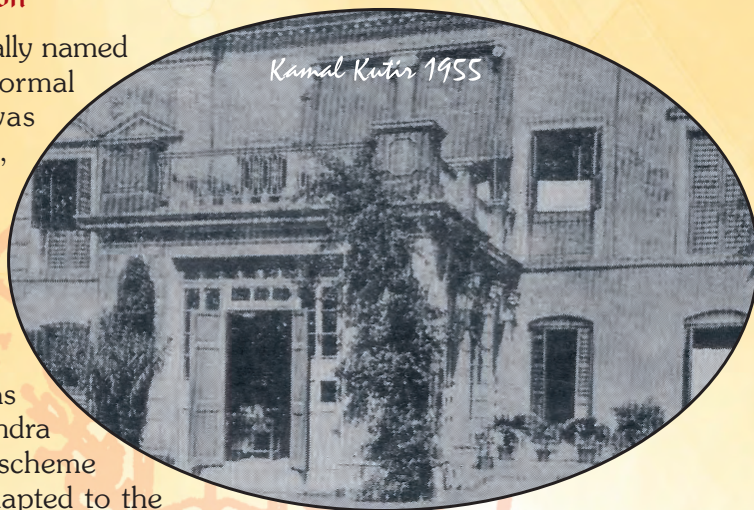

The College has an excellent infrastructure with well equipped teaching laboratories, a spacious auditorium and a seminar hall with all modern amenities. The college is well protected with security guards and CCTVs are installed at all strategic outdoor locations on the college campus. The College has a well furnished, affordable hostel to accommodate outstation candidates. Distribution of these rooms is in accordance to the merit list. However, currently, due to the Covid-19 pandemic, we are unable to provide hostel facilities. The institution also has a Placement Cell for providing employment opportunities to graduating students through campus recruitment in various reputed organizations like TCS and many others.

The Covid-19 scourge continues to ravage lives across the world. In such hideous times, we have discovered new strengths, resilience and adaptability. We have been able to reconvene our college on a virtual platform. The college strove to impart education through regular online classes, interactive sessions, tutorials and video lectures. In order to keep the students critically engaged the college has also organized several national, international webinars and web based workshops. I am hopeful that humanity will combat this invisible foe and eventually emerge victorious. On behalf of the entire (teaching and non-teaching) community of Victoria Institution (College), I welcome all the students and extend my good wishes to them and pledge to give our best to fulfil their dreams.

Our Institution

1.1. History of the Institution

Victoria Institution, originally named as The Native Ladies Normal and Adult School, was founded on 1st February, 1871, by Brahmananda Keshub Chandra Sen under the auspices of the Indian Reform Association of which he was the President. The aim of the Institution as laid down by Keshub Chandra Sen was to build up a scheme of education “specially adapted to the

requirement of the female mind and calculated to fit woman for her position in the society.” Education, he said, should be “both natural and national” and his followers pursued the aim with apostolic fervour while nurturing the Institution.

In 1932, the college section of the Institution was set up under the patronage of Maharani Suniti Devi, Maharani Sucharu Devi (daughters of Keshub Chandra) and other Board members among whom was Dr. Bidhan Chandra Roy who took keen interest in the growth of the Institution and remained associated with it till death.

The college which started I.A. course in 1932 soon became a first grade women’s college teaching upto B.A. Honours course in several subjects (1935). The science section of the college was opened in 1950. To meet the growing demand from the girls aspiring for higher education the Morning Section of the college was opened in 1963. In the Platinum Jubilee Year (2006-07) the college introduced B.Com. (Hons.) course. At present the college has Arts, Science and Commerce sections conducting Honours, and General courses for nearly 3007 students. It is also a study centre for distance education of Netaji Subhas Open University.

Over the years goals and objectives of the Victoria Institution (College) have been redefined keeping in mind women’s growing role in different sectors of public life. But Keshub Chandra Sen’s “comprehensive scheme of education” through special lectures, distance education (‘antapur shiksha’), vocational training and physical training still forms the core of the education system of the Victoria Institution (College).

For more than seven decades the Victoria Institution (College) has been rendering commendable service for the promotion of women’s education in Bengal combining tradition with modernisation. The mission of the college is to realize the founder’s dream of creating a generation of empowered women.

1.1.a NAAC Journey

The NAAC journey would not have been possible without the indefatigable zeal of our Principal, Dr. Nibedita Chakrabarti, the relentless efforts of the NAAC coordinator, Dr. Arpita Mukherji, joint-coordinator, Dr. Suchandra Guha and the undaunted endeavours of the entire teaching and non-teaching staff of the college.

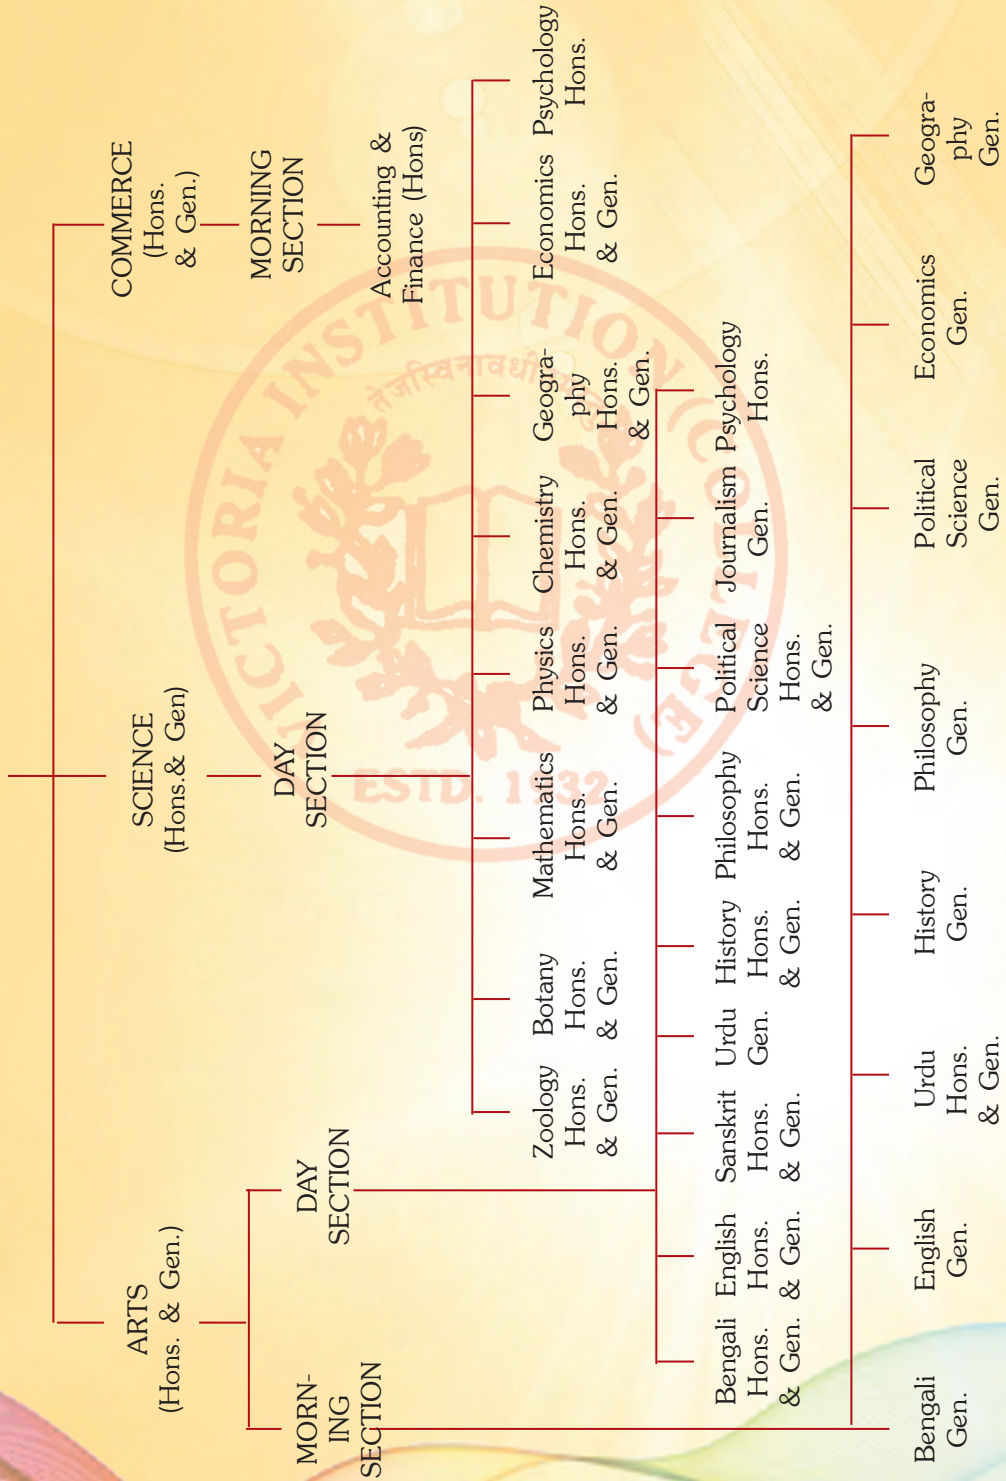

1.2 Goals and Objectives

- ❑ The primary objective of Victoria Institution (College) is to facilitate learning, which is a life-long process, by creating excellent academic ambience and by providing all-round general education of body and mind by means of rich curricular, co-curricular and extra-curricular programmes taken under the supervision of sincere and competent faculty members.
 - ❑ The Institution aims at providing a unique atmosphere of socio-religious harmony where every girl gets opportunity to find her own unique strength and opportunity of self-expression which would enable her to face any challenge in the context of rapid changes in the socio-economic-cultural scenario of the society.
 - ❑ The Institution also tries to maintain a Ragging Free Zone.
 - ❑ It has been the chief aim of the Institution to inculcate in every student a sense of responsibility towards society, respect for human being and care for nature and environment, so that she can become a worthy member of the society.
- To achieve these aims Victoria Institution (College)
- creates opportunity for every student to develop her full potential,
 - stands by the side of the disadvantaged pupils,
 - provides every student within its means the best possible educational and cultural experiences,
 - encourages every student to take part in community development programme,
 - provides an excellent atmosphere where students from all communities and all strata can cordially interact with one another in group activities and excursions and enrich the campus life.

4. Facilities

4.1. Hostel

Since its inception, Victoria Institution (College) Hostel has been engaged in ensuring affordable, accommodation facilities for its outstation students. The Hostel is a three storeyed building with spacious rooms housing nearly 72 students from various parts of Bengal. Being located within the college campus, the resident students do not have to undertake the cumbersome journey to reach their classes everyday.

Over the last few years, extensive refurbishment work has been undertaken. In recent times, the hostel building has been extended to include two dormitories with attached washrooms. However, allocation of these rooms is made in accordance to merit.

The day to day functioning is taken care of by a female Hostel Warden. The Principal personally meets the resident students to understand their everyday challenges and occasionally arranges for interactive sessions with their guardians to discuss the problem.

Glimpses of VIC Hostel

Accommodation and Amenities

- **Rooms** : The rooms have ergonomically designed furnitures that include bed with fitted mattresses, individual Study Desks, lockers and Cupboards with hangers.
- **Toilets** : The hostel has ample clean toilets with attached baths and solar heaters to provide hot water in winters.
- **Reading Room** : Every floor of the hostel has a separate reading room. The reading room has computers and free high speed unlimited Wi Fi connection, Boarders can access this room till 12 midnight. In addition an extended balcony with lights, desks and chairs is also available to facilitate late night study.
- **Security** : 24 X 7 security with guards at the main door at all times and CCTVs are installed to monitor entry and exit of the hostel, while maintaining privacy of the residents. After college hours students are allowed to go outside with Gate Pass from the Warden. However returning to hostel at 8 pm. is mandatory.
- **Food** : Apart from usual lunch and dinner, the hostel mess also serves 2 light meals and one heavy snack after college hours. The students are provided fresh food with nutritive value. Non-vegetarian food consisting of either fish or eggs is served everyday. The menu is decided in the beginning of each week, in consultation with the boarders. Special menu is planned for Sundays. The food is served in presence of the Hostel Warden.
- **Recreation** : The residents have an access to various indoor and outdoor games. Television is installed in the dining area where boarders can watch news everyday and other entertainment programs on Sundays. The boarders also receive the Daily Newspaper. Various cultural programmes are also organised to ensure bonding among students.

STUDENTS HEALTH HOME MEMBERSHIP : The Institution has long been a Universal Member of Student's Health Home. The boarders can avail this facility and get almost all their medical treatment from this organisation at a very nominal cost.

Hostel seats of students who are unable to qualify at the Calcutta University Examinations will be cancelled.

- The College Hostel is a home-away from home. The hostel is a safe space for the students and allows them to embrace an identity of womanhood that is confident, poised and ready to grapple the challenges of the world.

Due to Covid - 19 pandemic we are unable to provide hostel facilities until further notice.
