Please note the following guidelines (framed by UGC) and cooperate with us:

- 1) The teacher participants are evaluated during the course on the basis of Five main items, on which grades are given to the participants that would be a part of the certificate to be issued.
- 2) The total marks will be 100 and the distribution of marks is as follows:

Micro Teaching	10
Seminar	15
Project	20
Holistic Approach	25
MCQ Based Objective Test	30
TOTAL	100

- 3) Grades will be awarded as follows:

85% and above	A+
70% to less than or equal to 84%	A
60% to less than or equal to 69%	B
50% to less than or equal to 59%	C
Below 49%	F

[Those teacher participants who get F Grade are required to repeat the programme after a gap of one year without financial commitment to the UGC-HRDC].

- 4) The questions for the MCQ Based Objective Test are set from the lectures delivered by the Resource Persons.
- 5) Punctuality, regularity, initiative, conduct, responsiveness, etc., should be emphasized.

Note: It is advisable not to accept any official assignment during the entire tenure of the Course.

ABOUT THE COLLEGE

Vardhaman College of Engineering (VCE) is one of the premier engineering colleges in Hyderabad that was established in 1999 by the Vardhaman Educational Society. The college has a vision to provide quality education to its students and cater to the diverse need of society. VCE is a UGC Autonomous college, approved by AICTE affiliated to Jawaharlal Nehru Technological University (JNTU), Hyderabad.

The college offers undergraduate and postgraduate programs in various specializations such as Computer Science and Engineering (CSE), Computer Science and Engineering (AI&ML), Artificial Intelligence and Machine Learning (AI&ML), Artificial Intelligence and Data Science (AI&DS), Information Technology (IT), Electronics and Communication Engineering (ECE), Electrical and Electronics Engineering (EEE), Mechanical Engineering (ME), Civil Engineering (CE) and PG Programs M.Tech CSE, DECS, PEED, ED, SE, and MBA. The college also offers doctoral programs in CSE, ECE and ME.

VCE is accredited by the National Assessment and Accreditation Council (NAAC) with an A++ grade and a CGPA of 3.58 on a scale of 4. All six of its eligible undergraduate engineering programs B.Tech CSE, IT, ECE, EEE, CSE, ME and CE are accredited by the National Board of Accreditation (NBA), New Delhi, under the Tier-1 category.

The college boasts of state-of-the-art infrastructure, including well-equipped laboratories, a central library, a sports complex, a seminar hall, and an auditorium. The faculty at VCE are highly qualified, experienced, and dedicated to imparting quality education to students. The college encourages students to participate in co-curricular and extracurricular activities and various clubs and societies are formed to hone their skills.

Vardhaman College of Engineering shines bright with top NIRF rankings, while also serving as a pioneering mentor to institutions seeking NBA guidance. With a commitment to excellence and innovation, Vardhaman sets the standard for Engineering Education.

VCE believes in ensuring Holistic Development of students besides Quality Education.

ABOUT THE DEPARTMENT

The Department of Humanities & Sciences occupies a place of pride in Vardhaman College of Engineering (Autonomous) as it is the backbone for Engineering & Technology curriculum. Keeping this in mind, Vardhaman College of Engineering (Autonomous) established H&S Department in the year 1999.

Humanities & Sciences Department is a supporting department to all Engineering and Professional Courses of Diploma, B.Tech, MBA and MCA Departments. In addition to Basic Sciences like Mathematics, Physics and Chemistry, here the students are exposed to English and Environmental Science. Knowledge and proficiency of English language has become a primary requisite for every professional student in establishing today's career of cut throat competition. Communication skills along with a command over English language play a crucial role to enable a student to succeed in one's academic as well as professional life.

It is a matter of considerable satisfaction to say that Science & Humanities Department is destined to lay strong foundation for fruitful completion of 4 year B.Tech Course. It marches ahead with the vision of our College by setting its own goals in the areas of teaching-learning process and is the liveliest place on the Campus providing a safe, comfortable and friendly environment that enables learning and advancement of knowledge. The Department of H&S gives maximum importance to the student who is the

main stake-holder and it has been established with a view to achieving concentrated focus for the smooth migration of students having different backgrounds and varied abilities from Intermediate Level to the Professional Studies by inculcating practice - oriented training.

Objectives to the STTP

The online STTPs will be organized by Department of Humanities & Sciences, Vardhaman College of Engineering, Hyderabad during April 24-28, 2023. This STTP aims to promote interaction with the scientific communities and cover the different prospects, tools and technologies used in materials and medicinal chemistry research field through a series of invited lectures from eminent speakers. The researchers from various institutes will gain deeper understanding on various important characterization methods and their applications in research field. They can develop state-of-the-art applications via using advanced research tools and concepts in chemical and material research field.

No prerequisite is envisaged for participants. In each topic, attempts will be made to build up fundamental concepts followed by research directions for research in materials and medicinal chemistry.

PROGRAM OUTCOME

- To transfer the concepts and advanced knowledge in chemical and materials chemistry research field.
- To enhance research proficiency by using the advanced knowledge of different research tools.
- To provide the platform for discussing and exchanging the innovative research ideas and experiences for better understanding for Faculty, Research Scholars and Industry Delegates.

Dear Sir/Madam,

Greetings from **Vardhaman College of Engineering**. Indeed it was an overwhelming response. Thank you for registering for a 5 day short term training program (STTP) on "**RECENT ADVANCEMENTS IN MEDICINAL CHEMISTRY AND MATERIAL SCIENCE**" (RAMCMS-2023) organized by Department of Freshman Engineering, Vardhaman College of Engineering (Autonomous), Hyderabad.

The STTP will be conducted via [Microsoft Teams Platform](#). So we request all participants to please download the Application for your Mobile Phones or Laptops. For your convenience we have shared the download link below.

Desktop/Laptop: <https://www.microsoft.com/en-in/microsoft-365/microsoft-teams/download-app>

Ph. : +91-7582-292629(O)

Mob: 09422544305

E-mail : hrdcsagar@gmail.com

Instructions:

1. The sessions timing will be 10:00 am to 11:30, 11:45 am to 1:15 pm, 2:00 to 3:30 and 3:45 to 5:15 pm) for full six working hours on Google Meet platform.
2. Full time online live attendance for all sessions shall be mandatory for receiving the certificate.
3. Every day summary and feedback to the daily sessions is mandatory in online mode.
4. Participants should maintain the proper decorum during the sessions (proper dress and no disturbance)

Evaluation Methods

In the concluding week of the program, experts, preferably external, may be asked to assess the participants on the basis of multiple-choice objective tests, and give grades to participants, taking also into account other evaluations already done. The grading should be as follows:

1. **A+** : 85 percent and above
2. **A** : 70 per cent to less than or equal to 84 percent
3. **B** : 60 per cent to less than or equal to 69 per cent
4. **C** : 50 per cent to less than or equal to 59 per cent
5. **F** : Below 49 per cent

Those teacher participants who get F grades are required to repeat the program after a gap of one year without financial commitment to UGC-HRDC.

The total marks are to be fixed at 100 and the same may be decided in the following manner:

1. Multiple-choice objective tests **30** (active participation in the interactions)
2. Seminars/participant presentation (in diverse topics) **15** (in online mode)
3. Project/survey/others **20** (research project proposal in the Google form)
4. Micro-teaching/participation **10** (5 minute long online live presentation)
5. Holistic response **25** (in online mode in the specific time slot)

The above distribution may be adjusted to meet specific requirements.

ONE WEEK FDP ON RESEARCH METHODOLOGY

ORGANISED BY:

Department of Business Administration

In collaboration with

**Department of Economics &
Internal Quality Assurance Cell (IQAC),
Vidyasagar University,
Midnapore,
West Bengal, India**

MARCH 21ST TO 27TH, 2022

ONE WEEK FDP ON RESEARCH METHODOLOGY

ABOUT THE UNIVERSITY

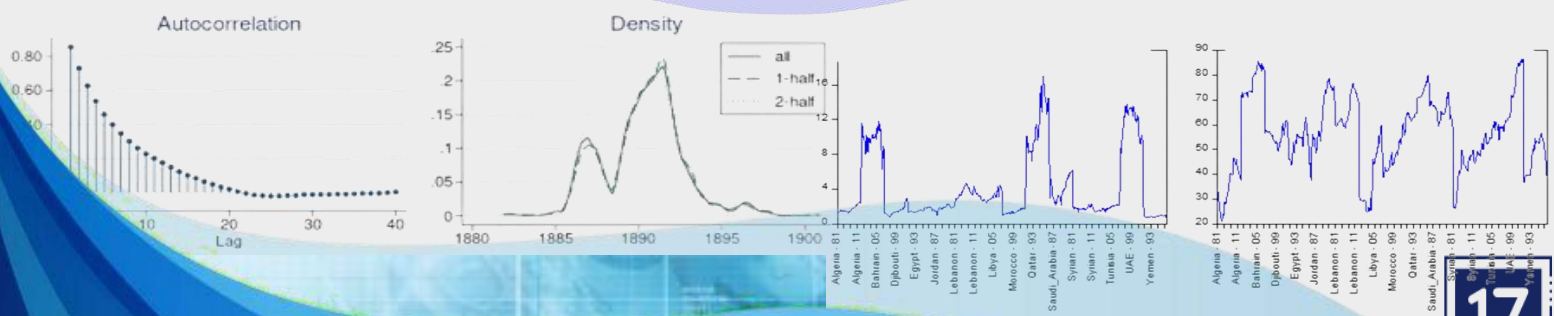

Vidyasagar University, named after one of the most illustrious sons of Bengal as well as one of the doyens of Indian Renaissance, Pandit Ishwar Chandra Vidyasagar. The U.G.C. accorded recognition to the University in terms of Section 12B of the U.G.C. Act, on 1st March 1990. The University presently houses 27 PG departments, 12 in Humanities and 15 in Science, while 46 undergraduate colleges apart from 11 courses in yet 11 other colleges / institutes are affiliated to it. Fourteen vocational subjects and six other specialized courses are also offered at the UG level. The overall emphasis of the university is not to perpetuate the traditional nature of the other Universities of West Bengal but to merge as a distinctive entity with a special nature of its own. The campus is Wi-Fi enabled and has a picturesque background.

ABOUT THE PROGRAMME

The prime focus of this FDP will be on the practical means of teachings which will help the participants to learn the technicalities for handling software for data analysis in a systematic manner. Discussions will be made on the various applications of econometric tools & techniques and analysis of results to some specific areas of Management, Commerce, Economics, Finance, and other areas of social sciences. Thus, the schedule is aiming to have a topic wise brief discussion on theory followed by thorough practical sessions. The FDP is proposed to give a thorough exposure to Time Series data and Panel data analysis and the related econometric tools and techniques. The participants will get a good training on two important software EViews, STATA and will learn how to conduct data analysis using them. By the end of the programme, they will be able to develop their conceptual clarity and practical knowledge to run the software for analysis and interpreting the data for their research purpose.

PARTICIPANTS

Research scholars and faculty members in the field of Management, Commerce, Economics, Finance, and other areas of social sciences as well as Industry people may participate in this FDP.

He has received two outstanding teaching awards from the Western Sydney University, Australia. Prof. Mallik has published over 85 articles, including 59 referred journal articles (including A* and A level journals) and presented his research papers in prestigious conferences including American Economic Association. He has also delivered over 24 keynote/ invited speeches in prestigious conferences and presented research papers over 32 countries. So far more than 14 students completed Ph.D. under his supervision. Prof. Mallik has published research articles in the areas of education, medicine, applied econometrics, economics, finance and currently working in the areas of accounting and social science. Many reputed newspapers around the world including Business Review Weekly, Sydney Morning herald, The Australian etc. showed interest in his research and published the summary of his articles.

Prof. Debasish Mondal is Professor of Economics in the Department of Economics, Vidyasagar University since the inception of the University in 1986. His areas of teaching and research include Statistics, Econometrics and a part of Micro Economics. Through simulation he has established that the t-tests used in linear multiple regression analysis for testing the partial significance of the explanatory variables fail to test the true partial significance of them (Mondal 2008). He has also established that in determining the weights of different dimension indices in a composite index, the Iterative Average Correlation Method (IACM) is better than the Principal Component Method (Mondal et al 2017). Presently he is working on Normality test, endogenous break modelling, measurement of inequality, etc.

Prof. Mihir Kumar Pal, Ph.D., is a professor and former Head of the Department of Economics, Vidyasagar University, West Bengal, India, with more than 20 years of research and teaching experience. He was awarded Gold Medal at both UG and PG level in Economics from the University of Kalyani. He has completed a number of research projects under UGC and published several books, articles in reputed national and international journals. His areas of research interest are Industrial Productivity, Capacity Utilisation, Environmental Economics and Applied Econometrics.

Prof. Rudra Prakash Pradhan is working in the Vinod Gupta School of Management, IIT Kharagpur. He has almost 15 years of teaching experience and specializes in areas such as Applied Econometrics, Predictive Analytics and Statistical Decision Modelling. He is associated with numerous professional journals in various capacities. Dr. Pradhan is Visiting Professor at Asian Institute of Technology, Thailand and Visiting Scholar at the University of Pretoria, South Africa. His research focus is on econometrics modelling and development finance, with specific focus on infrastructure and innovation. He is editors of 11 books in the area of infrastructure finance and financial markets.

Dr. Pinaki Das is an Associate Professor and former Head, Department of Economics, Vidyasagar University. He obtained M.Sc. and Ph.D. in Economics and awarded with the Gold Medal for the first position in M.Sc. in Economics. He has 15 years of teaching experience at PG level. He acted as the Project Director of Major Research Projects funded by DST, UGC and ICSSR. He has presented his papers in more than 70 national and international Seminars and Conferences and got over 50 research papers published in internationally reputed journals. He has guided 14 Research Scholars and published 6 books. He has expertise in econometric analysis with STATA and Eviews.

Dr. Ramesh Chandra Das is currently an Associate Professor of Economics at Vidyasagar University, West Bengal, India with more than twenty years of teaching and research experience. His Masters, M. Phil and Ph. D Degree in Economics are from the University of Calcutta. His major areas of research are applied macroeconomics, environmental economics and political economics. Dr. Das has contributed several research papers to the journals of reputed publishers such as Springer, Taylor & Francis, Elsevier, Sage and IGI Global. He has several edited volumes with IGI Global, Emerald, Routledge, Springer and two text books on microeconomics and macroeconomics for different fields of students and academicians. Besides, he has completed three research projects with UGC, India.

Dr. Chandrima Chakraborty is working in the Department of Economics, Vidyasagar University, India. Dr. Chakraborty did her Post graduation in Economics from the University of Calcutta, India and then she obtained her M.Phil. degree and Ph.D. degree in Economics from Jadavpur University, India. She has almost 15 years of teaching experience. Her major area of academic interest includes applied econometrics, Industrial growth, Productivity and Efficiency. Report of 2020-2021

In the academic year 2020-2021, due to nation-wide lockdown, the training programs, lecture series were conducted in virtual mode. Faculty Development Programs, Induction Programs, Refresher Courses were successfully completed by eight teaching staff of the college. More than one program was attended by the faculties and gathered knowledge in different areas.

Although there was no scope to take offline hands-on trainings, the faculties of science-stream practical-based subjects attended different online programs and got enriched.

Dear Participant

Greetings!

We are glad to confirm that you are eligible for participating in the 7 - Day Online International Faculty Development Programme on "Language and Literature - A Pragmatic Approach" to be conducted from 20 - 26 July 2020 with two sessions per day.

(Session I: 11:00 AM - 12.30 AM IST; Session II: 03 PM - 04.30 PM IST)

All the sessions will be conducted in Indian Standard Time via Zoom and the links for each day's two sessions will be mailed at 10.00 AM IST every day.

Android users may download Zoom by clicking on the following link <https://play.google.com/store/apps/details?id=us.zoom.videomeetings>. Alternatively, you may also join from your PC or your PC browser.

Note:

- E - certificate will be provided only for the eligible registered participants who secure attendance in all the sessions and pass with a minimum of 40% in the final quiz.
- Feedback cum Attendance Form will be shared at the end of each session (in the session platform only) to confirm your participation. This form shall be accepting responses for 20 minutes only.
- Kindly join 10 minutes earlier to each session. In case the room gets filled, you may watch the session live on YouTube in this Channel: <https://www.youtube.com/c/EdspireWebinars>. You may subscribe to this channel as well. Upon subscribing, you will receive a notification each time a live session is initiated.

Date: 27.08.2020

Please note the following guidelines (framed by UGC) and cooperate with us:

- 1) The teacher participants are evaluated during the course on the basis of three main items, on which grades are given to the participants that would be a part of the certificate to be issued.
- 2) The total marks will be 100 and the distribution of marks is as follows:

Seminar	30
MCQ Based Objective Test	50
Attendance	20
TOTAL	100

- 3) Grades will be awarded as follows:

85% and above	A+
70% to less than or equal to 84%	A
60% to less than or equal to 69%	B
50% to less than or equal to 59%	C
Below 49%	F

[Those teacher participants who get F Grade are required to repeat the programme after a gap of one year without financial commitment to the UGC-HRDC].

- 4) The questions for the MCQ Based Objective Test are set from the lectures delivered by the Resource Persons.
- 5) Punctuality, regularity, initiative, conduct, responsiveness, etc., should be emphasized.

Note: It is advisable not to accept any official assignment during the entire tenure of the Course.

ABOUT NIT PATNA

National Institute of Technology Patna (NITP) is the 18th National Institute of Technology created by the Ministry of Education (formerly MHRD) Government of India after rechristening the erstwhile Bihar College of Engineering Patna on 28.01.2004. NIT Patna marked its humble beginning in 1886 with the establishment of pleaders' survey training school which was subsequently upgraded to Bihar College of Engineering in 1924. This made this Institute the 6th oldest Engineering Institute in India. The Institute is situated on the south bank of the holy river Ganges behind Gandhi Ghat (where the ashes of Mahatma Gandhi were immersed in river Ganges). The campus has a picturesque view with its historic building presenting a spectacle of architectural delight and natural beauty. The Institute imparts high level education, training, research and development in science, engineering, technology and humanities along with high quality education and values at UG, PG and Ph.D levels. At present, the Institute has six disciplines offering degree courses viz. Architecture, Civil Engg., Computer Science & Engg., Electrical Engg., Electronics & Communication Engg., and Mechanical Engg., and well-established departments of Physics, Chemistry, Mathematics, Humanities and Social Science.

OVERVIEW OF THE ONLINE FDP

UGC has notified Quality Mandate along with the initiatives to be taken by both Higher Educational Institutions (HEIs) and UGC. One of the proposed initiatives is to introduce Induction Program for the students taking admission at UG and PG level in Universities and Colleges as decided in the 534th meeting of commission (UGC) held on 02.08.2018. Similarly, AICTE in its 49th meeting of the Council held on 14th March, 2017 approved a package of measures for improving quality of technical education in the country wherein it was decided that every student, on admission, shall be put through a mandatory Induction program to reinforce the fundamental concepts and the required language skills required for the technical education.

OBJECTIVES OF THE FDP

A mandatory induction program for students was designed by Prof. Rajeev Sangal, former Director, IIT (BHU) and his team to be offered right at the commencement of the first year and classes will begin after this induction program (Now known as DEEKSHARAMBH). The same program has been adopted as Deeksharambh by UGC and AICTE. Deeksharambh -- a guide to Student Induction Programme was prepared to provide/enhance the mentoring capabilities of the faculty member of universities and institutions so that they are able to conduct Student Induction Program.

It has been observed that universities and other higher education institutions have started implementing the student induction program. They have done very good job in organizing various activities listed in the Student Induction Program. **But, at the same time these universities and HEI's have failed to deliver the Universal Human Values component of the student induction program.** The universal human value (UHV) is the core components of the student induction program and the objectives of the program cannot be achieved without the deliverance of UHV.

There is a need to conduct faculty trainings / development programs in order to provide/enhance the mentoring capabilities of the faculty members of all universities across the country in a phased manner.

Cross Disciplinary Endeavours in Radiation Science

7th - 11th December 2020

Organized by
Department of Physics, Central University of Jharkhand,
Cheri-Manatu, Kamre, Kanke, Ranchi, Jharkhand-835222

Dear Participants,

Thank you very much for your interest in this faculty development program. We look forward to your participation and your support to make it a success.

Here are a few things that we would like to draw your kind attention to and request you to comply with, for the Faculty Development Program (FDP) to progress with minimum hiccups and to facilitate the accomplishment of its objectives.

1. The Faculty Development Program shall be hosted on the Google Meet platform. You shall be sent links for each session/presentation well in advance. It is understood that you have Google Meet application accessible on the device (PC/Laptop/Cellphone) at your end.
2. The inaugural session of the Faculty Development Program shall commence at **15:00 hrs on the 7th of December, 2020** (Monday). Please make sure that you are logged in, through the corresponding link (to be shared eventually), by 14:45 hrs on this date. We might not be able to accept your request for admission thereafter.
3. Even for the technical sessions, please make sure that you admit yourself at least 15 minutes before the scheduled start. We might not be able to accept your request for admission thereafter. The schedule would be communicated.
4. Please make sure that you have sent your registration details at the earliest. These will be required to enlist you at our end and facilitate your access through the Faculty Development Program sessions.
5. Please keep your MICROPHONE MUTED and CAMERA OFF during the sessions. Queries can ONLY be raised through the chat box in the Google Meet application. This is very important for the smooth progress of the sessions. We shall make all efforts at our end to respond to the queries / questions / comments within the technical constraints of this new mode of organizing E-FDP.

Dear Sir/Madam,

In response to your application, we are glad to state that you have been selected for attending the UGC sponsored **Summer School on Changing Role of use of ICT in Higher Education** which is scheduled to be held on and from **12.07.2019 to 25.07.2019**. **List of selected candidates is enclosed herewith for your ready reference**. Registration will start at 10:30 am at UGC-Human Resource Development Centre B.U (Formerly ASC, B.U), Golapbag. Inauguration of the Course will take place at 12:00 noon on the HRDC premises. Accommodation & food availed by willing outstation participants at the guest house of the University of Burdwan, shall be self paid. **As per the new UGC guideline [F.No. 1-13/2017 (HRDC) Dt: 04.06.2018] participants are no longer eligible for any Dearness Allowance (DA), however, they are entitled to Travelling Allowance (TA) subject to the condition of the further amendment of the New UGC Guidelines for HRDCs (issued on 19.03.2019). Before or during the course(s), if the Revised Guideline is received, provision of self payment for food and lodging at Guest House may be altered.**

Accommodation (self paid) will be available only to those who will seek for it on and from 12.07.2019 to 25.07.2019 (Reporting time 8:00 am at Tarabag Guest house on 12.07.2019).

Local participants are not entitled for TA/DA. The teachers of colleges that do not yet come within the purview of section 2 (f) & 12 (B) of the UGC Act, but have been affiliated to a university for at least two years, are eligible to participate in the programmes/courses. However, they won't be paid any allowances for attending these courses.

As per XIIth Plan guidelines outstation teacher participants may be paid AC III-Tier railway fare (all trains) or AC deluxe bus fare **on production of tickets** for both ways journeys. **Airfare is not admissible. No companion will be allowed to stay with any of the participants in the accommodation arranged by the UGC-HRDC, BU.**

Please confirm your participation through **HARD COPY** along with a **Demand Draft for Rs 1000/- as Registration fee drawn in favor of "UGC-HRD Centre, The University of Burdwan"** payable at Burdwan by hand/post/courier or **SOFT COPY** (to be sent at applicationhrdc@gmail.com) by e-mail along with **DD number on or before 11.07.2019. CONFIRMATION SENT TO ANY OTHER E-MAIL ID WILL NOT BE ACCEPTED. No request for confirmation will be entertained after this date.** Confirmation of participation will be accepted only after receipt of registration fee worth Rs 1000/- **in the form of DD reached on or before 11.07.2019, otherwise, invitation will be treated as withdrawn.** Please bring a **copy of this Call Letter and Annexures A, B & C** attached with the application form to be produced during registration.

With best regards

Yours faithfully,

Library Automation and Digitisation

Innovations in Information and Communication Technologies (ICT) has brought about drastic changes in the day to day functioning of libraries. Technological aids have been used in libraries to facilitate and enhance the library services as and when they are introduced. In the late 1870s the typewriters revolutionised the working of the of the libraries. Introduction of the microcomputers brought about a transition from manual systems to automated systems in housekeeping operations of the libraries. The library collections have also changed over the years. More and more multimedia resources are getting added in the library collection. Another major trend is towards digitisation of the collection and building digital repositories.

This course introduces you to the concepts of library automation and digitisation.

Objectives of the Course:

The objective of the course is to provide an understanding of the following aspects:

- automation of housekeeping operations with special reference to open source library automation software Koha.
- rendering of computerized services.

About the FDP:

Course Objective:

Due to COVID 19, teachers are faced with a daunting task to conduct classes. There are several ways teachers can utilize the technology and resources already available to support online learning and ensure students still receive a quality education. To design your class interesting and to unleash the advantages of educational technology – may it be a complete online or blended, this program will take you on a journey of “New Era Teaching”. In this FDP we will explore how online learning takes places, how to design your lesson, using various online tools for conducting activities and tracking the performance of the students.

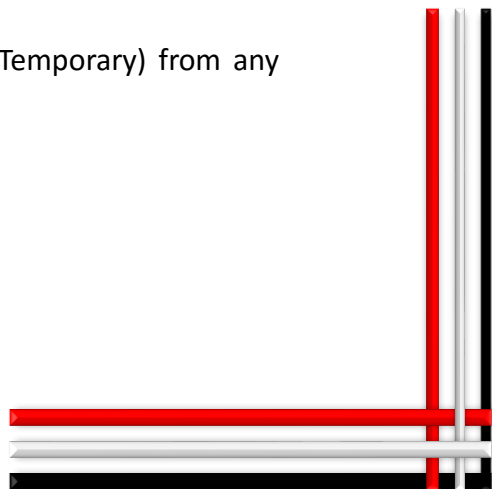

Course Outcome:

At the end of the programme teachers will be able to:

- Understand online teaching & learning methods, platforms, tools, and resources
- Design lesson plan for online learning
- Track the performance of the students using various online tools
- Database creation using online tools

Who can apply ?

The FDP is open to Faculty members (Regular/Ad-hoc/Temporary) from any Indian University / College and Ph.D. Research Scholars.

REPORT of 2018-2019

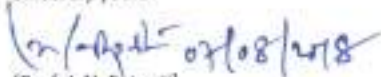

Thirteen teaching staff participated in different Faculty Induction Programs, Refresher Courses sponsored by UGC, Short term courses and Faculty Development Programs. All of them successfully completed the programs and enriched themselves by acquiring knowledge in their fields or in any inter-disciplinary field.

Dear Applicant,

I am happy to inform you that you have been selected for participation in the 123rd Orientation Programme to be held during **Sep. 04, - Oct.3, 2018** instead of Aug.01- 30, 2018 in the HRDC/ASC, University of Calcutta. You are requested to report at the HRDC/ASC, University College of Science and Technology, 92, A.P.C. Road, Kolkata -700 009 on **Sep. 04, 2018 at 10.30 a.m.** and to join the inaugural programme at 11.00 a.m. in the class room of HRDC/ASC. You are eligible to get TA as per UGC norms (for TA if the distance from institution to venue is 120 km. and above you will be treated as an outstation participant and in that case production of original/Xerox copies of both ways tickets for claim of TA is necessary). In case of air travel (For North-Eastern Hill regions & Andaman Nicobar Islands) boarding pass is required. You may be aware that as per the revised UGC Rules, a participant of an D.P./R.C. has to pay an admission Fee of Rs.1000/- (Non-refundable). You are requested to remit the admission fee through a bank draft in favour of "University of Calcutta – A/C Academic Staff College" payable at Kolkata. The bank draft and duly filled in proforma (Form-A) given in our website must reach the office of HRDC/ASC latest by **Aug. 20, 2018** to consider your confirmation for joining the programme. UGC rules regarding assessment of the participants is given below. Please note that as per UGC rules The Orientation Programme will be of four weeks duration with minimum of 24 days and 144 contact hours. If a Participant fails to complete the requisite contact hours in a program he/she may be permitted to make up for the backlog hours at his/her own cost in another program by the HRDC concerned. It is also to be noted that each participant is required to submit a project report along with an abstract to prepare the presentation of the seminar by the 3rd week of the programme. As a number of programmes and courses are running simultaneously, we may not be able to provide accommodation to many of you (who are out-station participants) and in that case you are to arrange for your accommodations yourselves.

We look forward to meeting you on **Sep. 04, 2018**

With best wishes,
Sincerely yours

[Prof. L.N. Satpati]

Director, UGC-HRDC/ASC-CU

The stated objectives of the Orientation Program for newly recruited teachers' are:

1. To understand the significance of education in general and higher education in particular in the global and the Indian context
2. To understand the linkages between education and the socio-economic and cultural development with particular reference to Indian Policy where secularism and egalitarianism are tenets of the society.
3. To acquire and improve the skills of teaching at the college university level.
4. To make the teachers aware of the latest developments in his/her subject.
5. To understand the organization and management of college/university and to improve the role of the teacher in the total system and to utilize opportunities for the development of personality, initiative and creativity.

Evaluation of Participants (as suggested in the new guidelines)

*When possible in the concluding week of the programme experts preferably external be asked to assess the participants on the basis of multiple choice objective test and give the grade to the participants, taking also into account other evaluations already done.

The gradation should be as follows:

- A: 75 per cent and above
- B: 60 per cent to less than 75 per cent
- C: 50 per cent to less than 60 per cent
- F: Below 50 per cent

Those teacher participants who get F grades are required to repeat the programs after a gap of one year without financial commitment to UGC-HRDC/ASC.

The total marks are to be fixed at 100 and the same be decided in the following manner:

i.	Overall response	30	ii.	Seminars	15
iii.	Project/survey/others	20	iv.	Micro-teaching/participation	10
v.	Multiple-choice objective tests	25			

The above distribution may be adjusted to meet the specific requirements

Dec.03, 2018

Dear Applicant,

I am happy to inform you that you have been selected for participation in the IRC in Winter School in Comparative Language and Literature to be held during Dec. 31, 2018 - Jan. 24, 2019 in the Dept. of English, Calcutta University. You are requested to report in the Dept. of English, Calcutta University, 87/1, College St. Campus, Kolkata-700073, at 10.30 a.m. and to join the inaugural program at 11.00 a.m. in the Dept. of English, Calcutta University. You may be aware that as per the revised UGC Rules, a participant of OP/RC /STC has to pay an admission fee of Rs.1000/- (non - refundable). You are requested to remit the admission fee through a bank draft in favour of "UNIVERSITY OF CALCUTTA -A/C ACADEMIC STAFF COLLEGE" payable at Kolkata. The bank draft and duly filled in enclosed Proforma (form-A) must reach the office of HRDC/ASC by December 20, 2018. You are eligible to get TA as per UGC norms (for TA if the distance from institution to venue is 120 km. and above you will be treated as an outstation participant and in that case production of original/Xerox copies of both ways tickets for claim of TA is necessary). In case of air travel (For North-Eastern Hill regions & Andaman Nicobar Islands) boarding pass is required. UGC rules regarding assessment of the participants is given below. Please note that as per UGC rules The IRC in Winter School in Comparative Language and Literature will be of three weeks duration with minimum of 18 days and 108 contact hours. If a participant fails to complete the requisite contact hours in this program he/she may be permitted to make up for the backlog hours at his/her own cost in another program conducted by the HRDC/ASC concerned. It is also to be noted that each participant is required to submit a project report (about 1500 words) along with an abstract (500 words) neatly typed in A/4 size paper in 12 font, single spacing to prepare the presentation of the seminar by the 2nd week of the programme. As a number of programmes and courses are running simultaneously, we may not be able to provide accommodation to many of you (who are out-station participants) and in that case you are to arrange for your accommodations yourselves.

We look forward to meeting you on December 31, 2018

With best wishes,

Sincerely yours

[Handwritten signature]

Director, UGC-HRDC/ASC-CU

Evaluation of Participants (as suggested in the new guidelines)

"when possible in the concluding week of the programme experts preferably external be asked to assess the participants on the basis of multiple choice objective test and give the grade to the participants, taking also into account other evaluations already done.

The gradation should be as follows :

- A: 75 per cent and above
- B: 60 per cent to less than 75 per cent
- C: 50 per cent to less than 60 per cent
- F: Below 50 per cent

Those teacher participants who get F grades are required to repeat the programs after a gap of one year without financial commitment to UGC-ASC.

The total marks are to be fixed at 100 and the same be decided in the following manner:

i. Overall response	30	ii.Seminars	15
iii. Project/survey/others	20	iv.Micro-teaching/participation	10
v. Multiple-choice objective tests	25		

The above distribution may be adjusted to meet the specific requirements.
