

Annual report of college activities 2019-20

Part A: Curricular Activities

S.L. No.	Event	Conducted by	Date	Page no.
1.	Field study- Documentation of medicinal plants.	<u>Botany</u>	23/9/2019	
2.	Field study at Subhas sarovar	<u>Botany</u>	30/9/2019	
3.	Field visit	<u>Zoology</u>	11/1/2020	
4.	Local excursion to Duttapukur	<u>Botany</u>	28/2/2020	

Part B: Co-Curricular Activities

S.L. No.	Event	Conducted by	Date	Page no.
1.	Students' seminar	<u>Physics</u>	3/7/2019	
2.	Students' talk	<u>Bengali</u>	6/7/2019	
3.	One-day National level seminar Sponsored by: WestBengal BiodiversityBoard	<u>Zoology</u>	2/8/2019	
4.	Extension Lecture	<u>Sanskrit</u>	16/8/2019	
5.	Trip to BITM	<u>Mathematics</u>	14/9/2019	
6.	Extension lecture	<u>Psychology</u>	16/9/2019	

7.	Students talk	<u>Mathematics</u>	17/9/2019	
8.	Parent teacher meet	<u>Physics</u>	19/9 /2019	
9.	Parent Teacher Meet	<u>Mathematics</u>	20/9/2019	
10.	Extension lecture	<u>Economics</u>	20/9/2019	
11.	Parent Teacher Meet	<u>Economics</u>	20/9/2019	
12.	Institute visit	<u>Zoology</u>	21/9/2019	
13.	Visit to Indian Museum	<u>History</u>	24/9/2019	
14.	Departmental seminar	<u>History</u>	25/9/2019	
15.	Seminar- Student's participation-Genesis of Zero	<u>Mathematics</u>	25/9/2019	
16.	Extension lecture	<u>Zoology</u>	26/9/2019	
17.	Celebration the Śāradotsavain	<u>Sanskrit</u>	27/9/2019	
18.	Extension lecture	<u>Psychology</u>	30/9/2019	
19.	Extension lecture	<u>English</u>	7/11/2019	
20.	Extension lecture.	<u>English</u>	16/11/2019	
21.	Extension activity-Talk	<u>Economics</u>	30/11/2019	
22.	Students' seminar	<u>Physics</u>	3/12/2019	
23.	Students' talk- Celebration of Human Rights Day.	<u>Political science</u>	10/12/2019	
24.	Seminar on Cyber Security and Mathematics.	<u>Mathematics</u>	7 th &8 th February 2020	
25.	Special Lecture	<u>Sanskrit</u>	15/2/2020 and 16/2/2020	
26.	IBTC – 2020	<u>Mathematics</u>	17 th & 18 th February 2020	
27.	One day Seminar on 'Astronomy'	<u>Physics</u>	24/2/2020	

28.	College Quiz	<u>Mathematics</u>	26/2/2020	
29.	Students' Seminar	<u>Physics</u>	27/2/2020	
30.	Lecture at Asiatic Society on 150 years of Periodic Table	<u>Physics and Chemistry</u>	13/3/2020	
31.	Observation of World Environment Day (Online)	<u>Botany</u>	5/6/2020	

Part C: Extra-Curricular Activities

S.L. No.	Event	Conducted by	Date	Page no.
1.	Community outreach program	<u>Physics</u>	17/8/2019	
2.	Student award in sports kick boxing		18/8/2019	
3.	9th Asian yoga sports championship- Students achievement.	<u>Psychology</u>	5th to 8th September, 2019	
5.	Student award- kick boxing		17/9/2019 to 20/9/2019	
4.	Cultural activities by students	<u>Bengali</u>	30/9/2019	
5.	Senior National Yogasana sports championship	<u>Psychology</u>	9th to 12th November, 2019	
6.	Outreach Program.	<u>Mathematics</u>	4/1/2020	

32.	Netaji Subhash state games.	<u>Psychology</u>	25th to 28th January 2020	
7.	Annual prize distribution ceremony	<u>Prize Committee</u>	29/2/2020	
8.	Cultural program – Rabindra Jayanti Celebration (online)	<u>Botany</u>	9/5/2020	
9.	Summer camp	<u>Mathematics</u>	27th June to 6th July 2020	

Part D: Commemorative Days

S.L. No.	Event	Conducted by	Date	Page no.
1.	Freshers welcome	<u>Mathematics.</u>	27/8/2019	
2.	Teachers' Day celebration	<u>Botany</u>	5/9/2019	
3.	Teachers Day celebration	<u>Mathematics</u>	5/9/2019	
4.	Teachers' Day celebration	<u>Physics</u>	5/9/2019	
5.	Teachers' Day celebration	<u>Bengali</u>	5/9/2019	
6.	Teachers' Day Celebration	<u>History</u>	5/9/2019	

Teachers Achievements

S.L. No.	Name of teacher	Dept .	Event	Date	Page no.
1.	Rajendra Yonzone	<u>Botany</u>	Teacher achievement- Young scientist award.	23/11/2019	
2.	Bassudev Siddhya	<u>Mathematics</u>	Teacher achievement and recognition sports	28th December 2019 to 31st December 2019.	
3.	Sumallya Karmakar	<u>Zoology</u>	Teacher award	07/01/2020	
4.	Sukriti Lahori	<u>Bengali</u>	Teacher achievement and recognition	10th,15th,18th, 24th,27th and 31st January 2020.	
5.	Dipanwita Mukherjee	<u>Economics</u>	Teacher - Cine Award-2020	2020	

Curricular Activities

1. Field study- Documentation of medicinal plants in college medicinal garden and college campus.

Department of Botany

Teachers- Dr Aparna pal

Smt. Sharmistha Basu

Laboratory assistant Shri Hrishikesh Choudhury

Students-29

Students of Botany General, part 3 , surveyed the college campus and visited the college medicinal garden and documented and learned about different types of medicinal plants, parts used, family and their medicinal importances.

2. Field study at Subhash Sarovar
Department of Botany
30/9/2019

Students of Semester 3(Hons.) Botany went for local excursion at Subhash Sarovar for field survey and plant collection. They were accompanied by Dr. Aparna Pal and laboratory assistant Shri Hrishikesh Choudhury on 30/9/2019. Students also performed the quadrat study at various locations.

3. FIELD VISIT TO CORBETT NATIONAL PARK

For

STUDY ON FOREST ECOSYSTEM

&

ITS BIODIVERSITY ASSESSMENT

Conducted By Zoology Dept.

Date:11/1/2020

Total. No.of students 18

4. Whole day local excursion to Duttapukur

Department of Botany

28/2/2020

The department of Botany organised one whole day local excursion to Duttapukur for the students of semester3(Hons.) students for the phytogeographical studies of that region along with plant collection.

Total students 22

Total teachers 6

Co-Curricular Activities

1. Students' Seminar : 03.07.2019

DEPARTMENT OF PHYSICS

A students Seminar was organised by the Department of Physics for the BSc II nd year Physics Honours students on 30.07.2019.

The topics which were given to the students were the experiments in the syllabus like Polarimeter, Double Slit, Mutual, Thermocouple, Newton's ring, band gap etc. The students had earlier performed these experiments in the laboratory. For the Students' seminar each student explained the theoretical aspects and the results obtained in one experiment. Eighteen students participated in this programme. The student's presentation was followed by a question and answer session conducted by the teachers. This helped the students in their preparation for the viva voce that is held during the practical examination.

2. Dept. Of Bengali organized 'Students' Talk' program on 06/07/19. Third year students participated in this program.

*Students Talk
Department of Bengali*

*Department of Bengali
Students Talk*

3. DEPARTMENT OF ZOOLOGY on 02/08/2019

One-day National level seminar Sponsored by:

WestBengal Biodiversity Board. Organised by:

Raja Pearymohon College, Uttarpara

Participated by: 4 students of Zoology Dept.

Coordinated by: Dr. Patralekha

Mukhopadhyay, Mrs. Suchona Chakraborty

An one-day National level seminar was organized by A.P.C. Roy Eco-club, of Zoology, Raja Pearymohon College, Uttarpara in collaboration with SEBA (Social Environmental Biological Association) on 2nd August 2019. The theme of Seminar was **Global warming & Biodiversity Conservation**. The seminar was flourished with poster presentation by UG, PG students of different colleges & Universities in and around Kolkata. 2 students of 2nd yr & 2 students of 3rd yr Zoology Honours of our college attended the lectures given by eminent speakers along with taking part in poster presentation. The group of 2nd yr students also secured 3rd position in the competition on poster presentation. The students were accompanied by two teachers of Zoology Dept.

3rd yr students 2nd year students and teachers demonstrating. Participating in the seminar.

Receiving prize

4. Extension Lecture held on 16/8/2019 by Dept. of Sanskrit

Topic: "Indian Social Institution: Nature and Concepts"

Prof. Dr. Ratna Basu, renowned retired Professor of the Department of Sanskrit, University of Calcutta has delivered her valuable speech on "Indian Social Institution: Nature and Concepts" in an extension lecture organised by the Department of Sanskrit on August 16th, 2019. Total 25 students of Semester III, 2nd year and 3rd year of the department has participated in the programme. The faculty members of the department and also from another college were there to attend the lecture. As the topic has newly introduced in the CBCS Sanskrit honours syllabus, the lecture has a powerful impact to all the students and teachers. After the spontaneous and thoughtful lecture of the resource person, all doubts has been cleared during the interactive session.

Extension Lecture, Department of Sanskrit

5. Trip to BITM

Department of Mathematics, 14/9/2019

Mathematics honours students of Sem 1 visited BITM on 14.09.2019 under the supervision of Dr. Anjana Bhattacharyya and Mr. Basudev Siddhya. Sixteen students experienced various practical applications of Mathematical tricks and formulae at Mathematics gallery of BITM. One full day was spent there and the students returned excited and happy to the college in the evening.

7. Students Talk -17/9/2019

Department of Mathematics.

17/9/2019

The students of SEM I of **Mathematics** honours participated in a Students' Talk organized by Dept. of Mathematics in Suniti Sabhaghar on **17.09.2019**. 17 students were allowed to choose topics on which they gave a presentation in front of all Mathematics honours students and departmental teachers. They were marked on the basis of their performances. This gave them the opportunity to rehearse themselves for future presentations.

8. Parent Teacher Meeting conducted by Dept. of Physics on 19th Sep, 2019

Department of Physics conducted a Parent Teacher Meeting on 19.09.2019 in presence of Principal, Dr. Nibedita Chakrabarty and all the faculty members at Suniti Sabhaghar. At the beginning of the meeting principal madam explained the idea behind this event.

Students of 3rd Semester (total 10) attended the meeting. It was the 2nd PTM for them, which was beneficial for both parents and teachers as the academic progress of individual students can be discussed with their parents on regular basis. Their performance in previous semesters, classes were discussed in detail, and found that many of them are progressing satisfactorily.

In the 2nd half, total five students of first semester attended the PTM with their parents. This was the 1st meet for them, so our HOD, Dr. Subhenda Chandra explained the regulations and norms of our college and Physics department. As always the importance of attending regular classes was emphasized. Academic performances of individual students in both theory and practical classes were discussed.

The meeting came to an end with vote of thanks to the guardian for coming and spending their valuable time with teachers.

9. Parent Teacher Meet 20/9/2019

Mathematics department arranged Parent Teacher Student meeting on **20.09.2019** for Semester 3 honours students. This interactive session provides the opportunity to the teachers to know about the social background of the students as well as to make the parents aware of the academic and behavioural activities of their daughters.

10. Extension Lecture
Organised by the Department of Economics on 20/09/2019

An Extension Lecture was organised on 20/09/2019 by the Department of Economics, Victoria Institution (College). Professor Anjan Chakrabarti from the Department of Economics, University of Calcutta and Dr. Gagori Chakrabarti, Associate Professor, Presidency University were the honourable Resource Persons for the event. The students of Department of Economics were fascinated with the learnings and take -aways from the scholarly inputs from the Professors. 30 students from the Department of Economics along with 10 faculty members from the Institute participated in the deliberation.

11. Parents Teacher Meeting of the Economics Department on 20/9/2019

A Parents Teacher Meeting for the students of Semester III Economics Honours (2018-2021 Batch) was held on 20thSeptember,2019. The parents of all five students of Semester III attended the meeting. The teachers of the Department discussed individually the virtues and the limitations of each student with their respective parents. The parents also gave their feedback regarding their wards' performance, overall behaviour and how they were guiding them outside the college. The interaction was highly successful. The parents were very much satisfied and they were of the opinion that the meeting was extremely helpful for them to identify the limitations of their wards.

13. Visit to Indian Museum: 24th September 2019, Dept of History

Students of 4th semester along with four faculty members, namely Dr. Parnasabari Bhattacharyya, Dr. Suchandra Guha, Sri Krishna Sarkar and Smt. Nandini Ghosh visited Indian Museum, Kolkata on 24th September 2019 as part of their field trip project. Forty-four students enthusiastically participated.

14. Departmental seminar ,Department of History **25th September 2019**

A departmental seminar was organized on 25th September 2019 by the Department of History. Nita Sengupta, in-charge of Indian Museum's art gallery graced the occasion. Head of the department Professor Jiaul Anam Molla presided over the seminar. She presented her lecture on valuable art collection of Indian Museum, Kolkata. She explained in detail, how they preserve valuable artifacts. Students were engaged in discussion with her.

15. Students' participation in Seminar, GENESIS OF ZERO
25/09/2019
Department of Mathematics.

The department of mathematics has always been encouraging students to participate in activities related to academics, career as well as wellness and life processes. Participation of the students in the special lecture on 25.09.2019 on "Genesis Of Zero" by Prof. Partha Sarathi Mukhopadhyay at K K Das College under the supervision of Dr. Anjana Bhattacharyya and Mr. Basudev Siddhya was one such event. 33 students of Sem III and Sem I experienced the talk and also got certificates of participation from the host college.

16. Extension Lecture on Genetic Engineering, Zoology Dept, 26/9/2019

Extension lecture on Genetic Engineering Department of Zoology, 26/9/2019

- Science has come up a long way. In today's world we are using Genetic engineering in modification and alterations of any kind of genetically improved variety of organisms.
- With the extension lecture students gained knowledge about it and its importance and implications as it has a number of useful applications, including scientific research, agriculture and technology. In plants, genetic engineering has been applied to improve the resilience, nutritional value and growth rate of crops such as potatoes, tomatoes and rice.
- **Date:** 26.09.2019
- **Time:** 2-4pm
- **Speaker:** Dr. Malay Das, Presidency University
- **Participants:** Sem 2(Hons) students
- **No. of participants:** 21 students and 5 faculty members of the department.

17. Celebration of *Śāradotsava*, Department of Sanskrit

Students of Sanskrit Department has organised to celebrate the *Śāradotsava* in the Departmental Seminar room on 27.09.2019 before the puja vacation starts. They have decorated the room with flowers and paper cutting and also wished the teachers by handmade colourful gifts. Some of the students also performed the recitation, singing and dance related to Sharadiya.

Department of Sanskrit

Sharodatsav

2019

18. Extension lecture Department of Psychology 30/9/2019.

**Will vs. Determinism and Empericism vs. Rationality in Department of Psychology, Victoria Institution (College).
delivered by Dr. Jhuma Paul, Assistant Professor, Department of Philosophy, Howrah Girls' College.**

19. EXTENSION LECTURE ON

"THE EVOLUTION OF AMERICAN LITERATURE" ORGANISED BY DEPT. OF ENGLISH (7/11/2019)

An Extension Lecture on "The Evolution of American Literature" was arranged for the Semester 3 students of the Department of English on 7th Nov 2019. This enlightening lecture was delivered by the very eminent Prof.

Sanjukta Dasgupta (Former Professor, Dept. of English; Former Dean – Faculty of Arts, University of Calcutta) to orient students toward American Literature, which is an integral part of their syllabus. Though it was not possible to cover every detail in that short span of time, Prof. Dasgupta's presentation actually helped the students to gain a comprehensive understanding of what American literature is all about and also fostered in them an interest for the same. The lecture was followed by an interactive session where the students participated spontaneously. Prof. Dasgupta's presence was indeed a great motivation for the entire department.

20. Extension lecture on "TOWARDS NEW ENGLISHES"

ORGANISED BY DEPT. OF ENGLISH

16/11/2019

Dr. Jaydeep Sarangi, Principal, New Alipore College, Kolkata had delivered a stimulating lecture on the current state of English language on 16th Nov, 2019. The lecture was mainly arranged for the fresh batch of Semester 1 students to give them an overview of English language, from its very inception to its present usage in the contemporary world. The lecture was both informative and interesting, as was the topic. Besides, Dr. Sarangi's lucid and interactive presentation made the session even more fascinating and relevant for our young English users.

21. Extension Activity Organised by Economics Department

A talk was organised by the Department of Economics, Victoria Institution (College) on 30th November, 2019 covering two topics

- 1. Current CBCS System**
- 2. Some topics on the theory of Consumer Behaviour**

The invited speaker was Sri Debashis Biswas, Inspector of Colleges, University of Calcutta.

The session was chaired by Principal Madam Dr. Nibedita Chakrabarti, who delivered the welcome address and spoke over the necessity of the lecture.

The first part of the session benefitted the faculty members as they were made aware about the newly introduced CBCS system. The faculty members cleared their doubts about the functioning of the whole system.

22. Students' Seminar : 03.12.2019

A students Seminar was organised by the Department of Physics for the BSc Sem 3 Physics Honours students on 3.12.2019.

The thought behind this programme was to enable the students get a clear understanding of the theoretical aspects of the experiments the performed in the laboratory during this semester .This would of help to the students in their preparation for the viva voce that is held during the practical examination.The topics which were given to the students were the experiments in the syllabus like Stefan's Law , Thermocouple, electronics, Lees's Method etc . Ten students participated in this programme. The student's presentation was followed by a question and answer session conducted by the teachers.

23. Department of Political science.

**Students of 1st Sem, 3rd Sem
and 3rd year
celebrating Human rights day on
10/12/2019**

Students' Talk Celebrating International Human Rights Day, December 10th 2019

24. Seminar on Cyber Security and Mathematics

7/2/2020 to 8/2/2020

Department of Mathematics.

The department of mathematics has always been encouraging students to participate in activities related to academics, career as well as cultural programs. 4 students of semester 4 Mathematics honours participated on special seminar on "Cyber Security and Mathematics with an Emphasis on Algebraic Cryptology" at Vidyasagar College, Kolkata from 7th to 8th February, 2020

25. Special Lectures on "Indian Epigraphy and Palaeography", Department of Sanskrit on 15/2/2020 and 16/2/2020

Six honours students of Semester-IV with their teacher Ms. Madhulina Das have attended Special Lectures on Indian Epigraphy and Palaeography on 15th and 16th February, 2020 at Howrah Sanskrit Sahitya Samaja. The lectures have delivered by Prof. Dr. Debarchana Sarkar of the Department of Sanskrit, Jadavpur University and Sulagna Pradhan of the Department of Sanskrit, Victoria Institution (College). The topics has been related to their syllabus in the current syllabus. So they have got much benefited from the lectures.

26. IBTC – 2020 (17th and 18th February 2020)

Department of Mathematics

Fifteen Sem 4 Mathematics honours students participated in a 2-day IBTC – 2020 Programme conducted on 17th and 18th February, 2020 at Ramakrishna Mission Residential College, Narendrapur in collaboration with IIT, Kanpur. Their performance was highly appreciated by the judges. Sampurna Mondal, Ananya Barick and Subarna Ghosh performed exceptionally well and were declared zonal winners. This added another feather to the crown and made the department proud.

27. Seminar on Astronomy by Mr. Tarun Das, BITM (24/2/2020)

Department of Physics

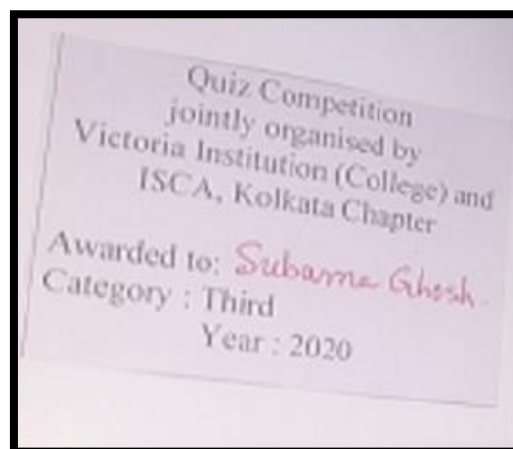

On **24-02-2020** Department of Physics, Victoria Institution (College) had organised a one day Seminar on '**Astronomy**' to develop the interest about the space science especially for the students of pure science. About **69** students from Physics(H) (Part-3, Sem-2 and Sem 4), Chemistry(H) and Mathematics(H) were present in this seminar. The keynote speech addressed by Dr. Nibedita Chakrabarti, principal of our college and lively audio-visual mode of presentation delivered by Mr. Tarun Das of Birla Institute of Technological Museum (BITM) have extended the seminar a great success. Mr. Das elaborate his lecture on the interface between cosmology and astronomy. The continuous engagement of all the teaching, non-teaching staff and students of the department of Physics have supported the successful completion of the seminar.

28. College Quiz on 26.02.2020

Department of Mathematics

Students of Sem 4 Mathematics honours participated in an interdepartmental quiz competition jointly Organized by Victoria Institution (College) and ISCA on 26.02.2020. A group of four students of our department, Barsha Shaw, Subarna Ghosh, Madhumanti Naskar and Sudipta Sardar won a third prize a book and came out with flying colours.

29. Students' Seminar : 27.02.2020

Department of Physics

A students Seminar was organised by the Department of Physics for the BSc III rd year Physics Honours students on 27.02.2020. The topics which were given to the students were the experiments in the syllabus like Fresnel eqn, Andersons Bridge, B H Loop , Electronics,, Separation between D1 and D2 lines etc The aim of this programme was to enable the students get a clear understanding of the theoretical aspects of the experiments the performed in the laboratory during this semester .This would of help to the students in their preparation for the viva voce that is held during the practical examination. Eighteen students participated in this programme. The students had earlier performed these experiments in the laboratory. For the Students' seminar each student explained the theoretical aspects and the results obtained in one experiment. The student's presentation was followed by a question and answer session conducted by the teachers.

30. Lecture at Asiatic Society on 150 years of Periodic Table

Department of Chemistry and Physics.

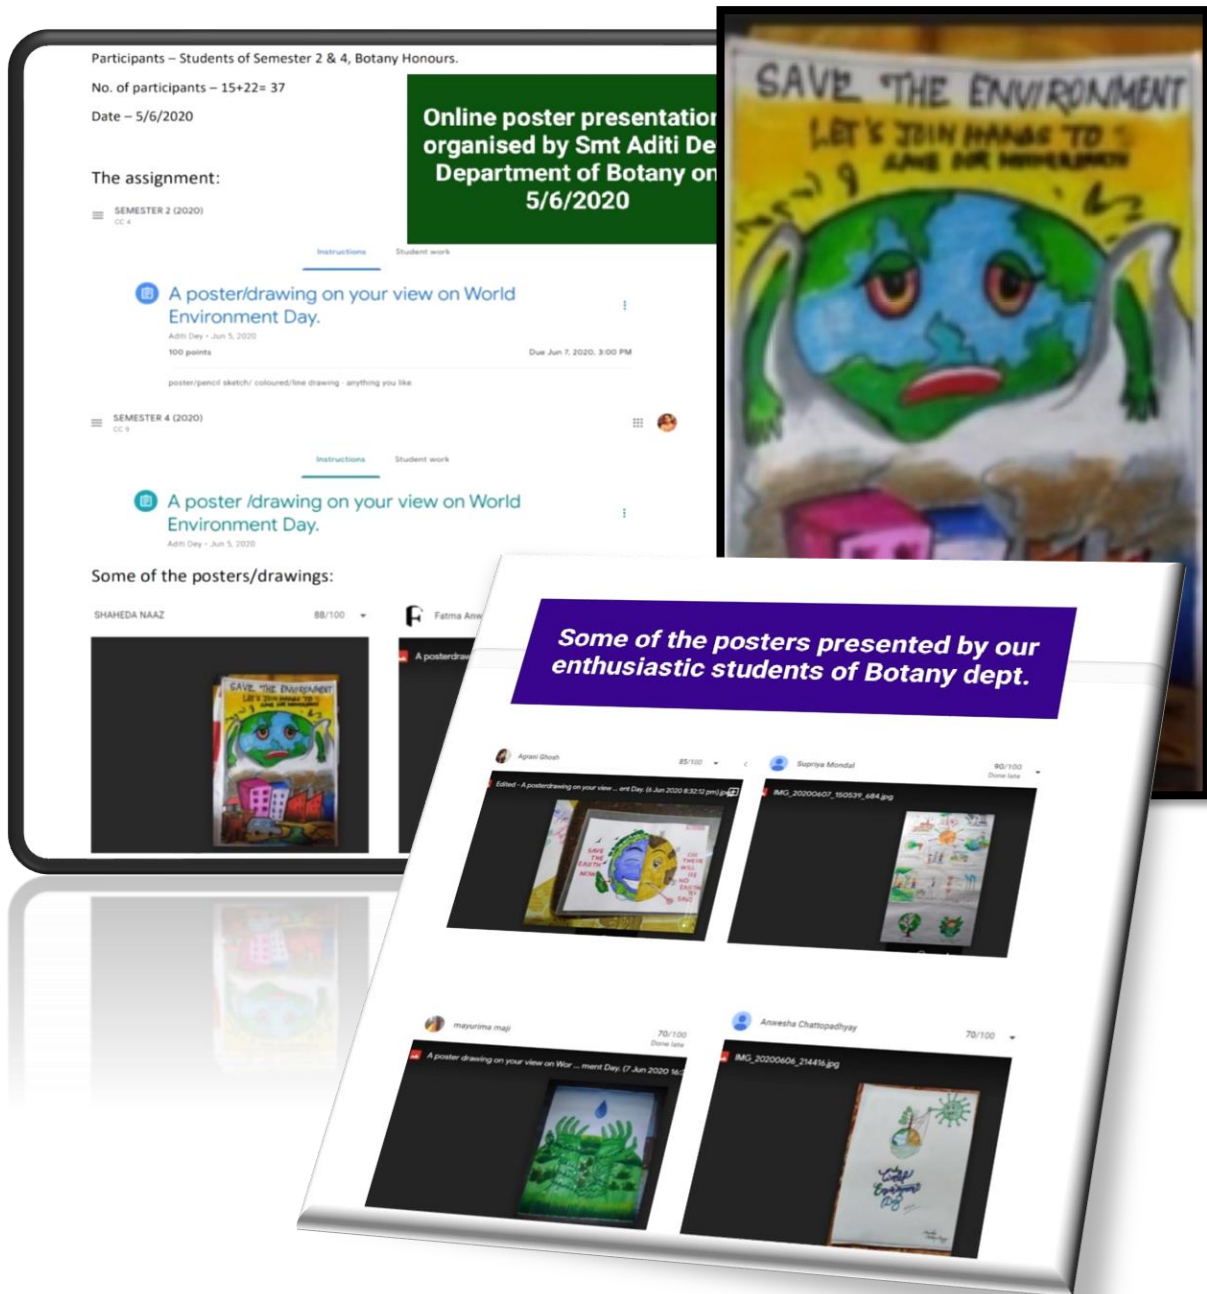

(13/3/2020)

On 13th March, 2020 about 30 Hons. Students of IInd & IVth Sem from Dept. of Physics and Dept. of Chemistry visited Asiatic Society. They attended the Inaugural Session of the Seminar on 150 Years of Mendeleev's Periodic Table. This session consisted of presentation on different aspects and history of Mendeleev's Periodic Table by eminent scientists like Prof. Sushanta Lahiri of Saha Institute of Nuclear Physics, Kolkata. This event not only gave them a wonderful opportunity to visit and to be aware the history of this prestigious institutional so to been lightened about the history and importance of periodic table which is very important for the Chemistry and Physics students. Dr.Shinjinee Das Gupta from Dept.of Physics, and Dr.Ishita Saha and Dr.Soumavo Ghosh accompanied the students in the above mentioned memorable event.

1. Observation of World Environment Day
Department of Botany
5/6/2020(online mode)

Observation of World Environment Day by students of Department of Botany on 5/6/2020 through poster presentation and demonstrations.

Extra-Curricular Activities

1. Students Report on a social work Initiative of the Students of Department of Physics

Community outreach program

on 17th Aug, 2019

“ DISTRIBUIR ---- PASE

INDIA is one of the Countries of the world. have achieved independence much blood, even 73 years independence, a large people in the country are still the primary, most

ACHI ”

Developing
Although we
through
after
number of
deprived of

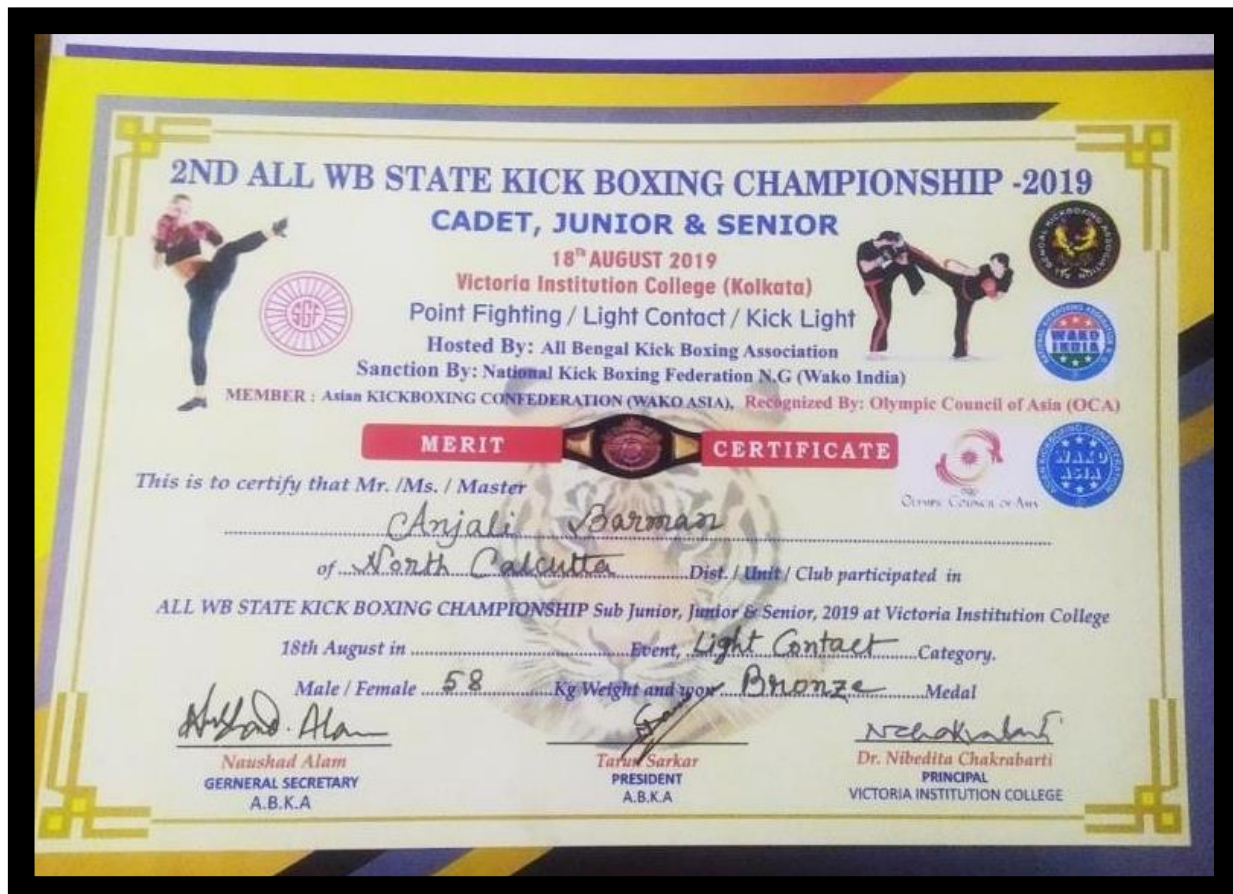

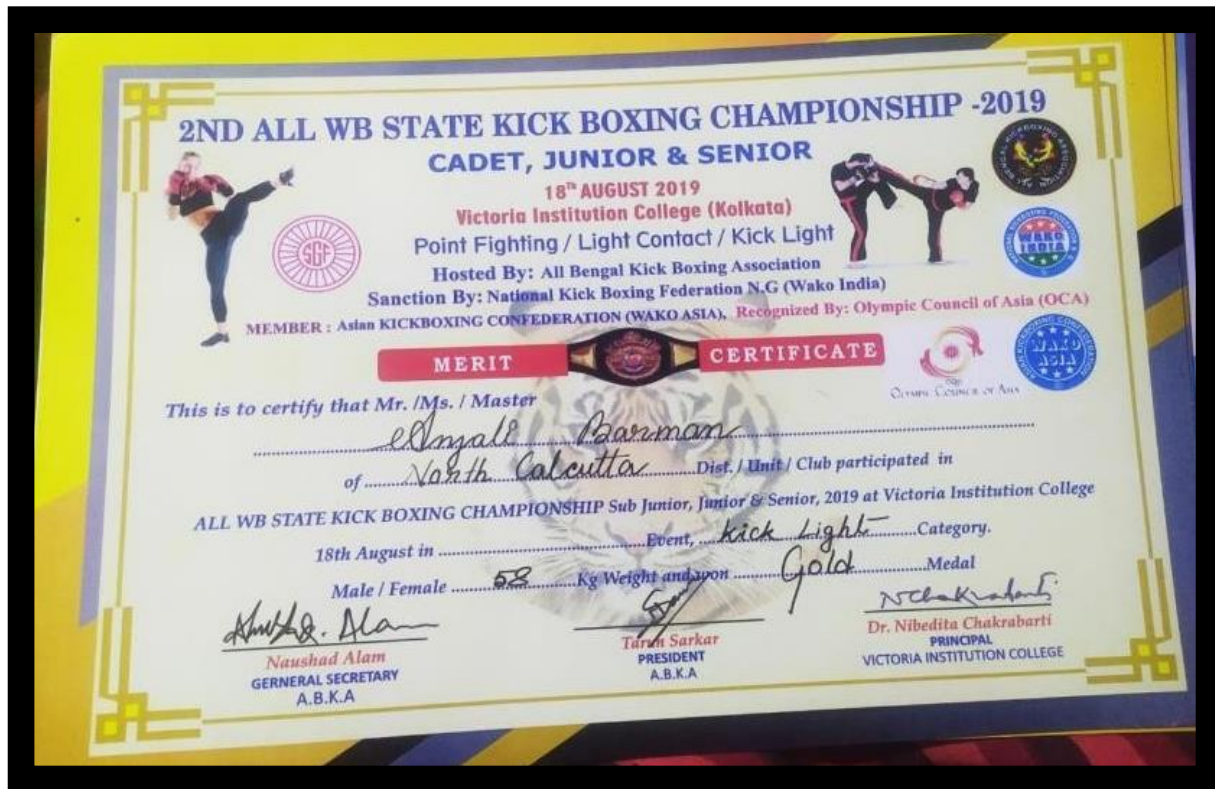

indispensable elements of subsistence. One of the most difficult problems of Indian Economy is **POVERTY**. Every day, we encounter people around us who hardly get sufficient food on a regular basis. The Sealdah Station is home to countless destitute children whose lives hardly pass the platform confines. Their stomach's calls are served only at the whims of a collective generosity. But human beings are powerless before hunger. We, the students of the Department of Physics, VICTORIA INSTITUTION (COLLEGE), took an initiative to help some people who live below poverty line in our locality. In the month of August, 2019, we, the students of physics dept along with some other friends from the girls hostel decided to distribute certain food items to the distressed children who live on the platforms of SEALDAH STATION. We named our small team "**DISTRIBUIR – PASE ACHI**". In Spanish, "**DISTRIBUIR**" means "**to distribute**". The team "**DISTRIBUIR – PASE ACHI**" is directed entirely by female students, only for the purpose of Social work. On **August 17, 2019** we reached our destination Sealdah station to distribute food items to children. The team "**DISTRIBUIR – PASE ACHI**" distributed the food items among ten distressed children who live at Sealdah station.

As transient as our efforts may be, we, the members of "**DISTRIBUIR – PASE ACHI**" team, are deeply satisfied to have had an opportunity to bring these children some glee and smiles on the faces these innocent children.

2. Sports and Awards

STUDENTS' AWARD IN SPORTS (18/8/2019)

3. Student award in sports. 5th to 8th September ,2019

Department of Psychology

4. Students sports kick boxing 17th to 20th September, 2019

5. Cultural activities by the students of Department of Bengali on 30/9/2019.

SHARADOTSAV

The students organized a colorful 'Sharadotsav' on 30/09/19 through dances, songs & recitations.
