

Gender Sensitization in Higher Education Institutions(02.02.2024)

On February 2, 2024, the Women's Cell, in association with the Internal Quality Assurance Cell (IQAC), organized a significant gender sensitization program at the Suniti Sabhaghar of Victoria Institution (College). The event featured an Invited Talk by Dr. Rituparna Das Sardar from Sarsuna Law College, who delivered an insightful presentation on gender issues, emphasizing the critical importance of equality and respect. Dr. Sardar's presentation delved into various gender-related topics, shedding light on the societal norms and biases that perpetuate inequality. She underscored the necessity of fostering an inclusive environment where both men and women can thrive without discrimination. Her talk was both informative and thought-provoking, prompting attendees to reflect deeply on their own perceptions and behaviors regarding gender. The program successfully conveyed the importance of promoting gender sensitivity within the college community. Attendees, comprising students and faculty, gained valuable insights into creating a more equitable campus. The discussions and interactions during the event highlighted practical steps that can be taken to support and uphold gender equality. The event was not just an academic exercise but a pivotal step towards nurturing awareness and empathy. By addressing these critical issues, the college aims to build a supportive and inclusive environment for everyone. The gender sensitization program stands as a testament to the institution's commitment to cultivating a campus culture rooted in respect and equality. Overall, the program was a crucial stride towards creating a more equitable and supportive community at Victoria Institution (College).
