

Students' participation in Consumer Awareness Program

On January 27, 2024, students and faculty members from our institution actively participated in a program organized by the Office of the Consumer Affairs and Fair Business Practices, Kolkata (Central) Regional Office, Government of West Bengal. The event, conducted by the NSS Unit in collaboration with IQAC, Victoria Institution College, focused on promoting consumer rights and fair business practices. Attendees engaged in workshops and discussions aimed at increasing awareness about consumer protection laws. Our students and faculty gained valuable insights into consumer issues, enhancing their understanding of ethical business practices and empowering them to make informed decisions as consumers.

NSS Unit Campaign to Promote Mask-Wearing and COVID-19 Awareness

The NSS Unit of Victoria Institution (College) initiated a two-day awareness campaign to promote mask-wearing and raise awareness about the ongoing presence of COVID-19. Held on February 6 and February 9, 2024, within the college premises, the campaign aimed to remind the community of the importance of safety measures. NSS volunteers distributed masks to faculty, non-faculty members, and students, emphasizing the role of mask-wearing in preventing the spread of the virus. The campaign successfully reinforced the need for continued vigilance and encouraged responsible behaviour to protect individual and public health amidst the ongoing pandemic.

Social Outreach Activity: Economics Department and NSS Unit's Visit to CINI

The Department of Economics and the NSS unit, Victoria Institution (College), visited the Child in Need Institute (CINI), Girl Children's Home today (10th February, 2024) at 2 pm as part of social outreach activity. 5 NSS volunteers and 2 students of the Economics Department accompanied by three teachers of the college met the 38 children of the home and distributed dry and packed food items, stationary items and packs of sanitary napkins among them. The inmates of the home are mostly victims of sexual abuse and are rescued by police. They belong to the age group of 6 to 18 years.

We extend our heartfelt gratitude to our Principal Madam Dr. Maitreyi Ray Kanjilal for giving us the opportunity to arrange this programme. We are thankful to Dr. Suchandra Guha and Dr. Mausumi Das Gupta. We are grateful to Dr. Basari Haldar for helping us to arrange this programme.

NSS Volunteers' Contributions to the Sports and Games Meet

From March 1st to 3rd, NSS volunteers played a crucial role in the Inter-College State Sports and Games Championship held at Scottish Church College Ground. Their contributions included managing fieldwork and assisting with various operational tasks to ensure the smooth execution of the event. Their support was instrumental in facilitating a successful sports meet, reflecting their commitment and organizational skills in handling large-scale events.

Empowering Voices: Women's Day Walkathon at Victoria Institution (College)

The Women's Cell and NSS Unit of Victoria Institution (College) organized a vibrant Walkathon on March 8th, 2024, celebrating International Women's Day. With the theme "Inspire Inclusion: Embracing Women's Voices Across Cultures," the event highlighted the importance of diversity and women's empowerment. Participants, including students, faculty, and local community members, marched enthusiastically from the college grounds to the Raja Rammohan Roy Memorial Museum. The walkathon aimed to foster unity and raise awareness of gender equality, promoting a message of inclusivity and cultural appreciation. The event concluded with inspiring speeches and cultural performances, encouraging participants to continue championing women's voices and contributions in all spheres of life. The day was a testament to collective action and solidarity.

Empowering Youth: Cervical Cancer Awareness Campaign by Victoria Institution (College)

The Women's Cell and NSS Unit of Victoria Institution (College) conducted an Awareness Campaign on Cervical Cancer on March 12, 2024, as part of their Community Outreach Programme. The campaign took place at the nearby Victoria Institution School ground, aiming to educate school students about cervical cancer, its causes, prevention, and early detection. College volunteers led interactive sessions, distributing informative pamphlets, and poster presentations and engaging students in discussions to raise awareness. The initiative sought to empower young individuals with knowledge to promote health consciousness and encourage proactive measures. The event was well-received, fostering a sense of responsibility among students to spread awareness in their communities.
