

LESSON PLAN : 2021-2022

Name of the Department: Economics (Morning Section)

Semester	Programme	Course and Name of the Paper	Topic	Teacher	No. Of hours
I	B.A./B.Sc General	CC1/GE1 Introductory Micro Economics	Exploring the Subject Matter of Economics	Simanti Bandyopadhyay	05
			Supply and Demand: How Markets Work, Markets and Welfare	Paramita Roy Biswas	16
			The Households	Simanti Bandyopadhyay	18
			The Firm and Perfect Market Structure	Paramita Roy Biswas	18
			Imperfect Market Structure	Paramita Roy Biswas	08
			Input Markets	Simanti Bandyopadhyay	10
II	B.A./B.Sc General	CC2/GE2 Introductory Macro Economics	Introduction to Macroeconomics and National Income Accounting	Simanti Bandyopadhyay	14
			The Simple Keynesian Model in a Closed Economy	Paramita Roy Biswas	14
			The Classical System	Paramita Roy Biswas	11
			Money Supply and Money Demand	Simanti Bandyopadhyay	11
			Inflation	Simanti Bandyopadhyay	13
			The External Sector	Paramita Roy Biswas	12

Semester	Programme	Course and Name of the Paper	Topic	Teacher	No. Of hours
III	B.A./B.Sc General	CC3/GE3 Issues in Economic Development and India	Meaning of Economic Development	Paramita Roy Biswas	25
			Poverty, Inequality and Development	Simanti Bandyopadhyay	20
			Development of the Dual Economy	Simanti Bandyopadhyay	15
			International Organization and Economic Development	Paramita Roy Biswas	15
	B.A./B.Sc General	SEC-A2 Elementary Rural Development (ERD)	Basic Issues in Rural Development	Simanti Bandyppadhyay	12
			Rural Credit and Self Help Groups (SHGs)	Simanti Bandyopadhyay	12
			Selected Government Programmes and Rural Development	Simanti Bandyopadhyay	6
IV	B.A./B.Sc General	CC4/GE 4 Indian Economic Policies	Macro Policies and Their Impact	Paramita Roy Biswas	15
			Policies and Performance in Agriculture	Simanti Bandyopadhyay	21
			Policies and Performance in Industry	Simanti Bandyopadhyay	21
			Policies and Performance of Indian Foreign Trade	Paramita Roy Biswas	18
	B.A./B.Sc General	SEC-B1 Economic Data Analysis and Report Writing (EDARW)	Tabular and Graphical Representation of Statistical Data	Simanti Bandyopadhyay	06
			Basic Descriptive Statistics and its Role in Data Analysis	Paramita Roy Biswas	16
			Elements of Report Writing	Simanti Bandyopadhyay & Paramita Roy Biswas	4
				4	

Semester	Programme	Course and Name of the Paper	Topic	Teacher	No. Of hours
V	B.A./B.Sc General	DSE-A1 Money and Banking (MB)	Money Supply and Banking System with reference to India	Paramita Roy Biswas	25
			Financial Institutions and Financial Markets	Simanti Bandyopadhyay	22
			Interest Rates	Paramita Roy Biswas	12
			Central Banking and Monetary Policy	Simanti Bandyopadhyay	16
	B.A./B.Sc General	SEC-A2 Elementary Rural Development (ERD)	Basic Issues in Rural Development	Simanti Bandyppadhyay	12
			Rural Credit and Self Help Groups (SHGs)	Simanti Bandyopadhyay	12
			Selected Government Programmes and Rural Development	Simanti Bandyopadhyay	6
VI	B.A./B.Sc General	DSE –B2 Economic History of India (1857-1947) (EHI)	Colonial India: Background and Introduction	Simanti Bandyopadhyay & Paramita Roy Biswas	05
			Macro Trends	Simanti Bandyopadhyay	13
			Agriculture	Simanti Bandyopadhyay	17
			Railways and Industry	Paramita Roy Biswas	20
			Economy and State in the Imperial Context	Paramita Roy Biswas	15
	B.A./B.Sc General	SEC-B1 Economic Data Analysis and Report Writing (EDARW)	Tabular and Graphical Representation of Statistical Data	Simanti Bandyopadhyay	06
			Basic Descriptive Statistics and its Role in Data Analysis	Paramita Roy Biswas	16
			Elements of Report Writing	Simanti Bandyopadhyay & Paramita Roy Biswas	4
				4	
			Tabular and Graphical Representation of Statistical Data	Simanti Bandyopadhyay	06

Semester	Programme	Course and Name of the Paper	Topic	Teacher	No. Of hours
I	B.Com Honours	GE 1.1 Chg Microeconomics-I	Demand and Consumer Behaviour	Simanti Bandyopadhyay	15
			Production and Cost	Paramita Roy Biswas	10
			Perfect Competition	Paramita Roy Biswas & Simanti Bandyopadhyay	08 07
	B.Com General	GE 1.1 Chg Microeconomics-I	Demand and Consumer Behaviour	Simanti Bandyopadhyay	15
			Production and Cost	Paramita Roy Biswas	10
			Perfect Competition	Paramita Roy Biswas & Simanti Bandyopadhyay	08 07
IV	B.Com Honours	GE 4.1 Chg Microeconomics-II & Indian Economy	Monopoly	Paramita Roy Biswas	10
			Imperfect Competition	Paramita Roy Biswas	15
			Factor Price Determination	Paramita Roy Biswas	15
			Basic Issues in Economic Development	Simanti Bandyopadhyay	5
			Basic Features of Indian Economy	Simanti Bandyopadhyay	10
			Sectoral Trends and Issues	Simanti Bandyopadhyay	15
			Social Issues in Indian Economy	Simanti Bandyopadhyay	10
	B.Com General	GE 4.1 Chg Microeconomics-II & Indian Economy	Monopoly	Paramita Roy Biswas	10
			Imperfect Competition	Paramita Roy Biswas	15
			Factor Price Determination	Paramita Roy Biswas	15
			Basic Issues in Economic Development	Simanti Bandyopadhyay	5

			Basic Features of Indian Economy	Simanti Bandyopadhyay	10
			Sectoral Trends and Issues	Simanti Bandyopadhyay	15
			Social Issues in Indian Economy	Simanti Bandyopadhyay	10
V	B.Com Honours	DSE-5.1A Macroeconomics	Introduction	Paramita Roy Biswas	02
			National Income Accounting	Simanti Bandyopadhyay	06
			Determination of Equilibrium Level of National Income	Paramita Roy Biswas	10
			Commodity Market and Money Market Equilibrium	Paramita Roy Biswas	10
			Money, Inflation and Unemployment	Simanti Bandyopadhyay	12

LESSON PLAN
DEPARTMENT OF ECONOMICS (DAY SECTION)
For Honours Students

Semester	Proramme	Course and Name of the Paper	Topic	Name of the teacher	No .of Hours
Semester I	Hons	CCI Introductory Microeconomics	Unit 1: Exploring the subject matter of Economics	SimantiBandyopadhyay(SB)	10
			Unit 2: Demand and Supply: HowMarketsWork	ChitritaBhowmick (CB)	10
			Unit 3: Market and Adjustments	SimantiBandyopadhyay(SB)	10
			Unit 4: Market SensitivityandElasticity	ChitritaBhowmick (CB)	12
			Unit 5: Government Intervention	SB+CB	8
			Unit 6:UtilitarianApproach	DipanwitaMukhopadhyay (DM)	25
		CCII Mathematical Methods in Economics-I	1.Preliminaries	Paramita Roy Biswas (PRB) DipanwitaMukhopadhyay (DM)	06 04
			2.Function of One Real Variable	Paramita Roy Biswas (PRB)	10
			3.Single Variable Optimization	Paramita Roy Biswas (PRB)	10
			4.Integration of Functions	Paramita Roy Biswas (PRB)	10
			5.Matrix Algebra	Paramita Roy Biswas (PRB)	20
			6.Game Theory	DipanwitaMukhopadhyay (DM)	15
			Semester II	Hons.	CC III Introductory Macroeconomics
2.Income Determination in the Short Run (Part-I) :The Simple Keynesian Model in a Closed Economy	ChitritaBhowmick (CB)	18			
3.The Classical System	SimantiBandyopadhyay(SB)	18			
4: Macroeconomic Foundation- I	SimantiBandyopadhyay(SB)	19			
CC IV Mathematical Methods in Economics-II	Functions of Several variables	DipanwitaMukhopadhyay			14
	Multivariable Optimization	DipanwitaMukhopadhyay Paramita Roy Biswas			20 15
	Difference Equations	Paramita Roy Biswas			12

			Differential Equations	Paramita Roy Biswas	14
Semester III	Hons.	CC V Intermediate Microeconomics(1)	Unit 1: Theories of Consumer Behaviour and Applications	SimantiBandyopadhyay(SB)	17
			Unit2: Production and Costs	SimantiBandyopadhyay(SB)	20
			Unit3: The Firm and Perfect Market Structure	SimantiBandyopadhyay(SB)	20
			Unit4: Input Market in Perfect Competition	SimantiBandyopadhyay(SB)	18
		CC VI Intermediate Macroeconomics	1. Income Determination in the Short-run (Part-II) : The IS-LM Model	ChitritaBhowmick (CB)	14
			2. Aggregate Demand and Aggregate Supply- the Complete Keynesian Model	ChitritaBhowmick (CB)	14
			3. Keynes vs. Classics	ChitritaBhowmick (CB)	10
			4. Money Supply, Monetary Policy and Government Budgetary Operations	ChitritaBhowmick (CB)	17
			5. Inflation, Unemployment and Expectations	ChitritaBhowmick (CB)	20
		CCVII Statistical Methods for Economics	Introduction and Overview	DipanwitaMukopadhyay	06
			Descriptive Statistics	DipanwitaMukhopadhyay	13
			Elementary Probability Theory	DipanwitaMukhopadhyay	10
			Probability Distribution	Paramita Roy Biswas	18
			Sampling	Paramita Roy Biswas	14
		SEC A2 Rural Development	1.Aspects of Rural Development	SimantiBandyopadhyay(SB)	6
			2.Panchyats and Rural Development	SimantiBandyopadhyay(SB)	5
3.Rural Credit and Self-help Groups	SimantiBandyopadhyay(SB)		11		
4.Critical Evaluation of Selected GovtProrammes and Rural Development	SimantiBandyopadhyay(SB)		8		
Semester IV	Hons.	CC VIII Intermediate Microeconomics(2)	Unit1: Imperfect Market Structure	SimantiBandyopadhyay(SB)	40
			Unit2: Input Market Under Imperfect Competition	SimantiBandyopadhyay(SB)	5

			Unit3: General Equilibrium Efficiency and Welfare	SimantiBandyopadhyay(SB)	30
		CC IX Intermediate Macroeconomics II	1.Basic Tenets of New Classical and NewKeynesianTheories	ChitritaBhowmick (CB)	20
			2. MacroeconomicFoundations-II	ChitritaBhowmick (CB)	20
			3. EconomicGrowth	ChitritaBhowmick (CB)	35
		CC X Introductory Econometrics	Nature and Scope of Econometrics	DipanwitaMukhopadhyay	04
			Classical Linear Regression Model Part 1	DipanwitaMukhopadhyay Paramita Roy Biswas	07 08
			Classical Linear Regressio Model Part 2	DipanwitaMukhopadhyay	10
			Statistical Inference in Linear Regression Model	Paramita Roy Biswas	26
			Violation of Classical Assumptions	Paramita Roy Biswas	12
			Specification Analysis	Paramita Roy Biswas	08
			SEC B2 Managerial Economics	1. Demand, Cost and Profit Analysis	ChitritaBhowmick (CB)
		2. Pricing Policies and practices		DipanwitaMukhopadhyay (DM)	03
		3. Capital Budgeting		DipanwitaMukhopadhyay (DM)	08
		4. Cost of capital		ChitritaBhowmick (CB)	05
		5. Inventory Management		DM+CB	08
Semester V	Hons.	CC XI International Economics	1. Absolute and Comparative Advantages of Trade	ChitritaBhowmick (CB)	09
			2. The Building Blocks of Trade Theory	ChitritaBhowmick (CB)	14
			3.Factor Endowment and Trade(Heckscher-Ohlin-SamuelsonModel)	ChitritaBhowmick (CB)	15
			4.Applications of Neo-classical Trade	ChitritaBhowmick (CB)	10

			Models for developing countries		
			5. Trade Policy	Chitrita Bhowmick (CB)	12
			6. Open Economy Macroeconomics and Balance of Payments	Chitrita Bhowmick (CB)	15
		CC XII Indian Economy	1. Economic Developments since Independence	Dipanwita Mukhopadhyay (DM)	20
			2. Population and Human Development	Dipanwita Mukhopadhyay (DM)	15
			3. Growth and Distribution	Dipanwita Mukhopadhyay (DM)	20
			Economic Reforms in India	Dipanwita Mukhopadhyay (DM)	20
		DSEA2 Economic History Of India (1857-1947)	1. Impact of British Rule On India	Simanti Bandyopadhyay (SB)	30
			2. Aspects Of Economic Policies In British India	Simanti Bandyopadhyay (SB)	45
		DSE-B1	Investment Theory and Portfolio Analysis	Paramita Roy Biswas	35
		Financial Economics (FE)	Options and Derivatives	Paramita Roy Biswas	20
			Corporate Finance	Paramita Roy Biswas	20
		Semester VI	Hons.	CC13 Public Economics	Unit 1: Govt. In A market Economy
			Unit 2: Choice And Public Economics	Simanti Bandyopadhyay (SB)	20
			Unit 3: The Revenue And The Expenditure Of The Government	Simanti Bandyopadhyay (SB)	20
			Unit 4: Public Finance	Simanti Bandyopadhyay (SB)	20
		CC14 Development Economics	1. Meaning of Economic Development	Paramita Roy Biswas	10
			2. Poverty and Inequality	Paramita Roy Biswas	15
			3. Dual Economy Models	Paramita Roy Biswas	20
			4. Population Growth and Economic	Paramita Roy Biswas	10

			Development		
			5.Development Strategies	Paramita Roy Biswas	10
			6.Political Institutions and the State	Paramita Roy Biswas	10
		DSE A2 Money and Financial Markets	1.Introduction to money and MoneyandBanking	ChitritaBhowmick (CB)	05
			2.Financial Institutions, Markets, Instruments andFinancialInnovations	ChitritaBhowmick (CB)	17
			3. Financial Markets and InterestRatesBehaviour	ChitritaBhowmick (CB)	18
			4. BankingSystem	ChitritaBhowmick (CB)	20
			5. Central Banking andMonetaryPolicy	ChitritaBhowmick (CB)	15
		DSE B2 Environmental Economics	Introduction	DipanwitaMukhopadhyay (DM)	04
			Efficiency andMarketFailure	DipanwitaMukhopadhyay (DM)	15
			The Design and Implementation ofEnvironmentalPolicy	DipanwitaMukhopadhyay (DM)	15
			InternationalEnvironmentalProblems	DipanwitaMukhopadhyay (DM)	12
			Measuring the values of Environmental CostsandBenefits	DipanwitaMukhopadhyay (DM)	14
